Captain Drescher shared information from the attached police report. She indicated Matrix Consulting will be presenting and will be able to provide information on the departments long-term strategic plan. The summer strategic plan was touched on with a goal of the department having a 15 percent reduction on shots fired, stolen automobiles, and hazardous driving in specific areas in the city based on crash data.

Chief Barnes shared additional information on the summer strategic plan. He

spoke on information and data collection. The committee inquired on a few items regarding East Washington and the department working collaboratively with other law enforcement to address issues. The other item was brought up on the mission of the PSRC and where the committee fits in with reviewing the departments priorities specifically the summer strategic plan and going over the report at the conclusion to be able to make recommendations to the council. There was also a question regarding strategic plans beyond Summer.

The Summer strategic plan is posted on district blotters and it is the same plan for all districts as this is a department wide initiative and all districts are working on the same priorities.

Alder Cole inquired on the Chief's quarterly report and the data in the report and if the committee is satisfied with the information within the report. It was suggested the committee make a list on what they would like to see in the report and work with the Chief. The quarterly reports shows a lot of information on how the department is trending and where it is heading. The Chief mentioned he would like the report to be as transparent as it can be and going forward to also include information from customer satisfaction data so others can see. He also mentioned he is always available for questions.

Konkel suggested two future agenda items; PSRC to review the Chief's quarterly report and determine if there are other recommendations to submit to the council and discuss the police departments summer strategic plan. She asked if the strategic plan could be emailed to the committee and also if there is any information on last years summer strategic plan. A question was asked on how one would receive the customer satisfaction survey. It was shared this normally is sent to an individual by filling out a case report. The Chief mentioned a link could be shared to those who want to fill out the survey and also he will share final data from last years summer strategic plan.

NEW BUSINESS

Kara Kratowicz, Performance Excellence Specialist from the City of Madison Human Resource Department with Jessica Jones and Eleanor Anderson, Data Analysts from the Finance Department presented information from the attached powerpoint. They shared information on why health and safety fits with the work being done in the city, the process to draft the list, and health and safety goals. The comments shared during today's presentation from the committee will be taken and shared with the lead referral, the plan commission. The suggested language changes will be summarized to know what changes are being made and comments will be used to work on improvements.

PRESENTATIONS

6. [71948](#) Matrix Consulting Presentation

Richard Brady from Matrix Consulting Group shared information on what they have been doing to develop the police department's strategic plan. They are currently working with groups to gather input on some key objectives in developing the strategic plan for the department. Mr. Brady went over the background/objectives on the process (5-7 year strategic plan), project activities to date, and PSRC's role in the process. They would like to work with the PSRC and build upon by developing a role for the committee through the life of the strategic plan.

Devon Clunis from Matrix asked key questions to the committee. Committee members voiced their thoughts/opinions.

Updates were asked to be shared with the committee moving forward.

FUTURE AGENDA ITEMS FOR DISCUSSION FROM THE MAY MEETING

7. [71899](#) Discussion from Future Agenda Items: PSRC liaison between city and safety issues

Alder Benford is hoping the committee can dedicate a meeting before the summer is out to gain insights from the community to be able to build connections with the public. He suggested the Fire and Police department advertise the PSRC meeting on their websites.

8. [71900](#) Discussion from Future Agenda Items: Sexual Assault on community outreach

Chair Milton shared this item was regarding LaFollette High School where an officer spoke on sexual assault with the students. There were candid conversations to know their rights, information, and processes. He felt it was beneficial for the students and good information and would like to see more of this type of thing at the schools.

9. [71902](#) Discussion from Future Agenda Items: Collection of information from MFD/MPD website; specific data

There were no concerns, comments or questions regarding this agenda item.

10. [71903](#) Discussion from Future Agenda Items: Community input at PSRC meetings

Moe shared information from the last budget subcommittee meeting and that was to hold a listening session that the PSRC as a whole group could host after the budget report is complete. It would be for the public to be able to make recommendations on the police budget to eventually share with the council. The meeting would be in August or September to engage the community in conversation on the police budget. It was asked that this agenda item be placed on the July agenda for further discussion and planning. Alder Benford made a motion to discuss at the July PSRC meeting to plan for an upcoming listening session. Alder Bennett seconded the motion. There was unanimous consent.
