Linette Rhodes provided updates and RFP timeline information, including that we received 6 applications with a total of \$17.8 million in requests-- comprising a variety of applications seeking the 9% or 4% tax credits that WHEDA offers.

We may try to divide up the October CDBG committee meeting into two meetings, depending on business before us.

Staff have been working on an "Affordable Housing Glossary", a draft of which went to Housing Strategy Committee at their July meeting for review and feedback, and is linked on their agenda.

REPORTS

7. [72958](#) Staff Report

Earlier this week, Common Council approved the selection of an architect and engineering design consultant for the permanent men's shelter - local organization "Dimension IV" was selected.

We are beginning the process of scheduling a series of meetings between City staff and Dimension IV, as well as finishing up a community engagement schedule. In midst of a Request for Qualifications to select an operator for the permanent men's shelter.

Will bring a recommendation to Council at their September 6 meeting, decision to CDBG Committee and then to Council September 20, hopefully for final approval.

Preparing the move from 1st St to the temporary facility on Zeier Rd , which is pointing to an early October move.
