Re: Madison Liquor/Beer License for 823 Williamson Street, Madison

Good morning, Mr. Verbick.

Please be advised I filed the completed Madison Liquor/Beer License Renewal for 823 Williamson Street with your office on March 6, 2025.

Please be further advised that, despite the best efforts of the landlord & myself, I am uncertain we shall complete the buildout of these new premises within 180 days of the Common Council granting the license.

Please kindly notify me what, if anything, I must do in this situation.

I look forward to hearing from you.

Rajan Talwar

Good morning,

We mailed renewal paperwork and information to your attention. I understand this may be confusing, because you have not been issued your alcohol license. However, as we are coming to a close of the 2024-2025 alcohol licensing year, we will need you to complete renewal paperwork to carry your claim for a license over to the 2025-2026 licensing year. You will not need to pay anything until your alcohol license is issued, so we will only need this renewal form back **by April 15**. For your convenience I have attached the alcohol license renewal form to this email, and included links to the instructions below. If you have any questions, please do not hesitate to reach out to me.

You may submit your renewal form electronically by sending it back to this email address.

Breese Stevens Field Policies and Practices:

The following conduct rules are posted prominently at the entrance to Breese Stevens:

Conduct Rules:

- Do **NOT** use inappropriate language.
- Do **NOT** disrupt other attendees.
- Do **NOT** throw any objects/items.
- Always obey instructions of event staff and security personnel.
- **NO** drinking games or card games.
- Be able to safely control your behavior and physical movement at all times.
- **NO** smoking or tobacco use of any kind.
- Public safety is a primary objective.
- **NO** minor alcohol consumption, even if accompanied by parents/guardians.

Offenses punishable by ARREST as determined by local law enforcement authorities:

- Underage drinking.
- False identification – attempting to use fake IDs.
- Disorderly or unsafe conduct.

Big Top Events, LLC. (BTE) does NOT, at any time or for any reason, allow parents (or legal guardians) or any other person to supply, provide, or permit the consumption of alcoholic beverages to any person under the age of 21.

2025 Breese Stevens Responsible Alcohol Consumption Action Plan

Big Top Events, LLC. (BTE), as part of their management of Breese Stevens Field, will execute the following Responsible Alcohol Consumption Action Plan. This plan is the result of working with the Tenney-Lapham Neighborhood Association, Madison Parks, the Madison Police Department, and receiving input from various other sources.

General Event Alcohol Related Policies and Practices:

1. Licensed alcohol service staff overseeing each beer pouring location at each event.
2. Mandatory pre-event training for all beer pourers by BTE Mgmt. and/or designated, external experts.
3. All bartenders/beer pourers/mixologists/beer movers must be 18 years-of-age or older.
4. Everyone that appears under 30 years-of-age must present a valid, current, and acceptable form of identification and they will receive a wristband indicating they are of-age prior to purchasing beer at outdoor events.
5. No under-age person is ever allowed to consume alcohol at the event, whether or not they are accompanied by a parent or guardian. State law does allow under-age persons, accompanied by parents or guardians, to drink under their supervision, but the law also allows license holders to make a policy decision not to serve those individuals and Big Top Events will not serve these individuals under any circumstances.
6. Stringent ID checking program by BTE staff, including incentives for identifying false ID's.
7. Have state ID books on hand for all people checking ID's.
8. No more than 2 beers per person, per trip, at any beer stand during any event.
9. All packaged alcoholic beverages will be opened prior to offering to customers.
10. No carry-in alcoholic beverages are allowed at any time.
11. No alcohol or alcohol container is permitted to leave the facility at any time.
12. Secret shoppers looking for problems with ID checking, and whether or not BTE bartenders/beer pourers are serving more beers per trip than limit.
13. For the safety of attendees, BTE reserves the right to refuse alcohol to anyone it determines has had too much to drink by using the following indicators of intoxication:
 - a. Reduced inhibitions
 - b. Poor judgment
 - c. Slowed mental and physical reactions
 - d. Loss of motor skills and agility
14. BTE reserves the right to refuse service to anyone who is found to be in violation of these rules at any time.
15. BTE will work with the Madison Police Department to staff events with officers to provide additional security when requested by MPD.
16. BTE will serve liquor at select events, but will only serve liquor to private, ticketed parties (i.e., weddings, themed events, and corporate functions) and will not serve intoxicating liquor to the general public at events at the facility.
17. An alcohol incident report will be completed whenever there is an occurrence of dealing with minor or intoxicated guests. These records will be kept on file at all times.

ALRC members,

I am writing with great concern for the request by Big Top Events LLC to construct fencing around the sidewalk, Gate 1 entry area of Breese Stevens, and into the street. The request has an impact on our daily life in the isthmus and the image of the city. Here are just a few immediate questions and issues that come to mind:

The application lacks a number of specifics relevant to your decision.

- What is the necessity for taking over this area and removing it from public benefit and use?
- What is meant by “concert/event *days*”?
- What hours would the fence be installed and removed and pedestrian traffic affected?
- How many “uses” are expected - as the online calendar indicates “events” every weekend from now until November?

The photograph of the fencing boundary does not provide the context or detail to reflect what is lost by its presence. That is an overview and details is needed. Consider these details and losses:

- Paterson St is a key route across East Washington for travelers by foot and bike. It distinctly has a stoplight and wide, well marked crosswalk. Isthmus residents who depend on it are joined by visitors from the parking ramps and hotels and restaurants on the south side of East Wash. They will cross to face a fence as they stand in the blocked crosswalk. What’s the expectation? Join heavy auto traffic in the street? (Saying walk a few blocks and cross there isn’t sensible. We know people will take the shortest route across. That is at Paterson.)
- A major BRT station now is in the center island at this spot with large buses and passengers adding to the hectic pace, confusion, and busy movement here.
- Festival Food parking enters on this block of Paterson - the frequent destination of people on bikes and cars. Bikers also are traveling to the Mifflin St bike boulevard just ahead.
- The expansive sidewalk at Gate 1 provides bike racks and heavily-used BCycle stations - popular with those attending Breese events, as well as businesses along East Washington 24/7. There are no other BCycle stations close by or at this number. They’d become unavailable while the fence was up - a great loss to businesses and people and green transportation.
- At street level, what’s the view of this historic landmark from all who pass it? What do visitors see from East Wash or who cross the isthmus to patronize events and activities elsewhere? How obstructed is the view?

Allowing this fence at this location contracts what we say is our commitment to quality of life here: to respect historic landmarks, to promote bicycling, to serve residents, and to ensure public safety. It is just one spot in our community, but for life in the isthmus and the message to residents of all ages it is a significant request. Please do not allow this extension of premises beyond the walls of Breese Stevens by Big Top Events LLC. There is too much that we will lose.

I appreciate your time and consideration of this concern.

I oppose ALRC item 87784 - to construct a 6'6" fence at Breese to enclose the area outside gate 1, the sidewalk, and a parking/traffic lane on Paterson St. on "concert/event days" - This would be every weekend until November.

Big Top was selected to manage games at this historic landmark, not run a patio bar and obstruct the pedestrian view of the stadium at the front gate.

The intersection at Paterson is home to a new center street BRT station and indeed is very busy. During the last two years of construction of Bakers Place, residents and visitors from Tenney and Wilmar Neighborhoods have still been able to cross at this crosswalk despite Paterson Street being closed. With Paterson about to reopen, there will be new and more hectic motor vehicle traffic which should be seriously considered. This proposed temporary fence would not offer real safety for those inside the fence.

If there is a plan to close Paterson street for every event, this has not been presented to the public.

Do not allow this fence and sidewalk bar that would negatively impact the neighborhood's quality of life in multiple ways.

Sincerely,

Tracy Doreen Dietzel

As a resident of this area and a daily biker. I strongly OPPOSE allowing Breese Stevens to fence off a huge area of our public sidewalks so they can sell more booze to their paying event attendees. That intersection is where a lot of us cross on foot or bike and it will absolutely DISRUPT and make MORE DANGEROUS that corner. Also, they said originally that the percentage of alcohol making up sales was a small percentage and this would make that percentage WAY higher. I also say as a bartender with over 30 years behind the stick: the last thing this area needs is another outdoor corral of drunk, LOUD, littering people trashing that corner, harassing passers by, and annoying neighbors who work in the early AM. Lastly, that fence they want to put up blocks off the B Cycle station on that corner. NOT OK. I (and all the bikers in my building on E Johnson) say NO. NO.

Thank you for your time and attention to this matter.

I was saddened to hear that you are considering having a fenced in bar area on public property. I live in the area and have walked to Breeze Terrace events. Please do not approve the request because the sidewalks are for all not for private businesses. There are plenty of bars in the area. We do not need more bars, especially on our public land.

Dear ALRC,

I'm concerned about the proposed fencing of the open area at the corner of E. Wash & Patterson on game and event days. This doesn't seem to be well thought-out:

Some issues that I see with this:

- * The diagram shows the fence going literally through a tree (how??)
- * It's unclear whether the BCycle station would be inside or outside the perimeter. Bikes have to be backed out of the docks, so a fence directly behind the BCycle station would also render it inoperable.
- * This would cordon off a large amount of public bike parking. Even if game/event attendees are allowed to bring their bike inside the fence with them to park, this would be an obstacle for

others parking to go to other nearby destinations, particularly if beverage service security turns away minors.

* While a temporary closure of the vehicle travel lane and parking lane on north-bound Patterson would be easy to work around, this would effectively also close the sidewalk, which would be an impediment to north-bound bike traffic and bidirectional ped traffic on the east side of Patterson.

In addition to these concerns, I feel that fencing up to the sidewalk like this will feel hostile to event attendees and neighbors alike. It reminds me of when E. Wash was a blighted corridor decades ago.

This is also simply an overreach of Big Top's lease terms. They are leasing the stadium. Not the corner of Patterson & E. Wash, and certainly not half of Patterson Street. Are they going to lay claim to Mifflin St next? Brearily? It'd be one thing if this were a block party-like event that the public could wander into without ticketing, but this is not that.

Thank you,

We are writing to express our opposition to Big Top Events' proposal to construct a 6'6" fence at Breese to enclose the area outside gate 1, the sidewalk, and a parking/traffic lane on North Paterson St. on "concert/event days" (which is every weekend from now until November). At the very least, questions about the reason for the request, hours of fencing, dates, impact on the neighborhood and traffic, and a visible rendition of the fence, should be answered and considered.

This may be a good move for Big Top's bottom line in terms of beer sales, but it's a bad move for residents and visitors to the neighborhood.

For walking and biking, Paterson Street is the key safe route across East Washington, given the long traffic light and wide, visible crosswalk. It is a distinctive route used by hundreds, or in the summer, thousands, of people per day. Now, with a BRT center station at that spot, it is even more hectic and busy. Big Top is proposing that people coming from the bus stop, or walking or biking through the intersection on their way across the isthmus, should cross in the road or give up this safest crosswalk to go elsewhere. This block of Paterson also has a Festival Foods' driveway entry, and it crosses the popular Mifflin bike boulevard. Adding a visual and logistical impediment to this busy streetscape just doesn't make safety or aesthetic sense overall.

In addition, the bike racks and BCycle docks at Breese Stevens heavily used to attend events and businesses all along this area would be enclosed. There are no alternatives anywhere close by.

Allowing this fence at this location contradicts the neighborhood's and city's commitment to quality of life here and throughout our community: to respect historic landmarks, promote green transportation, and ensure public safety. It's just one spot in the city but it has great meaning and use.

Thank you for your time and consideration of this concern.

Dear ALRC

For decades, groups have studied how to build a safer city for pedestrians and cyclists, and especially along busy corridors like E. Washington. Madison has spent a lot of money over the years on that goal by creating a connected grid of bike lanes and sidewalks. The use of the public ROW, and specifically the use of the bike lane and sidewalk would interfere with that use.

The City implemented Vision Zero, a program to eliminate injury and fatalities and maximize safety for pedestrians and cyclists. Even so, safety on E. Washington remains a problem. Sitting in my car at the intersection of 1st and E. Wash there is a ghost bike and a constant reminder of how important that safety goal is. Renting out a part of that safety system to sell alcohol is not in the best interest of that system, or neighbors.

Another area that has been studied, a bunch, is how to create a healthier and more fit neighborhood. Publications like **Increasing Physical Activity Through Community Design: A Guide for Public Health Practitioners and Livable Community Activity** from the National Center For Bicycling and Walking states, "A continuous network of good sidewalks is vital for encouraging more people to walk. The Americans with Disabilities Act (ADA) requires an accessible pedestrian route along all public rights-of-way." For years, neighbors have advocated for ADA compliance, including for people who are blind. I would like to ask how the city is planning on helping blind people navigate this potential use.

The National Center for Bicycling and Walking also recommends a buffer zone. "A buffer zone between the street and sidewalk further separates pedestrians from the street and provides a more comfortable walking environment. A buffer zone might be a grass strip between 4 and 8 feet in width, preferably with trees."

Buffer zones also increase safety for pedestrians and cyclists, and in this location, and with this traffic volume, are essential. Vehicles, at times, leave the road. I don't remember how many times Mother Fools on Willy St has been hit. 4 times? Ha Long Bay, twice. The former bank up at Schenks Corners at least twice. Common Wealth has been hit, and more. A buffer zone is essential. This plan would, in effect, remove pedestrian and bicycle lanes that improve safety, and replaces the public use with a private one.....selling alcohol.

I am writing in support of legistar item 87784 for a Change of Licensed Premises for Breese Stevens.

Breese Stevens is a tremendous neighborhood and city asset, and I have thoroughly enjoyed the variety and frequency of events that now take place there.

The facilities of the stadium, however, are woefully out of date and insufficient for today's event and concert-goers.

Moving security screening into the street and expanding the "post-security zone" as proposed is a clever *temporary* solution to improve some of the logistical challenges the outdated facility presents, particularly around event-entry security/queuing and the lack of restrooms.

Ultimately, this ALRC request and subsequent public response is just further proof that Breese Stevens is in desperate need for investment to modernize the stadium.

Thank you.

Hi

Please share with the ALRC.

I live on the 900 block of E. Dayton St. and am opposed to the proposal "corral" on concert/event days.

On those days, both car and foot traffic is already increased in the neighborhood. Cars often circling lookin for parking. I don't think it's a good idea losing part of that sidewalk and parking/bicycling at time when it is even busier than usual.

Also, with both the Youth Arts and Symphony building just up the block it is possible that even more foot and car traffic could be affected.

I am not sure of the capacity of the enclosure, but it seems that having all of the seating area of inside of Breese Stevens Field should be more than sufficient.

ALRC members,

I concur with Judith Stand's point in making a case against taking the public right of way that would limit pedestrian traffic and introduce uncertainty on how to navigate the site, and increase risk for pedestrians.

I attached the aerial photo from the proposal for quick reference.

This application is for a change of premises, one which would extend the premises into the public right-of-way (sidewalk, terrace and parking lane) on "concert/event days." What counts as an event day is unclear since everything that happens at Breese is some sort of event.

MGO 38.07(8) permits drinking in public streets (including sidewalks and alleys) if (1) there is a sidewalk café or (2) a Street Use Permit has been granted and a temporary Class B License has been approved.

As of yesterday morning, Big Top had not applied for a sidewalk café license or associated roadway café license. Nor does the area on page 3 of the application qualify for a sidewalk café. Sidewalk cafes are required to maintain a 6' sidewalk, which this does not. Sidewalk cafes must be at least 10' away from a fire hydrant; the application reflects the fire hydrant being inside of the fence. (The fence runs along the northern side of the crosswalk and the hydrant, though not depicted, is about 5' further north.) Consumption of alcohol beverages in all sidewalk cafes is limited to persons seated at tables in the approved site, this application does not reflect any tables.

In 2024, Breese had 23 dates where Street Use permits were granted, about equally split between closing the road and use of just the parking lane. Perhaps Big Top is seeking a license in conjunction with its Street Use permit. However, the proper application is a "Temporary B License" not a "Change of Premises." Nor is Big Top an organization which could qualify for a temporary license.

Perhaps this corral will be approved by staff and Big Top will still be granted a Street Use permit. But at least the ALRC will have done what it can to protect (as discussed in other comment letters) public health, safety and welfare.

Respectfully Submitted,
Linda Lehnertz

Dear ALRC (copy Alder Evers, D13):

With regards to ALRC 4/16/25 Agenda Item #10 (legistar #87811), the Vilas Neighborhood Association (VNA) submits the following comments and request:

At the VNA meeting on 4/9/25, the owners of Fyasyde Kitchen, 1925 Monroe Street, discussed their entertainment license application and answered questions. The VNA supports approval of this application and no concerns were raised. We would, however, request that the following condition be added to the license:

"All music will cease at 11pm, with the exception of New Year's eve, consistent with the condition to cease alcohol sales"

This simply closes a potential loophole to cease alcohol sales at 11pm but continue the music later. This is not the intention of the applicants and was amenable to them when discussed on 4/9 - it's simply to close a potential loophole with a written condition.

Thanks for your consideration,
-Doug Carlson, VNA President

I wholeheartedly support the FayaSyde's application for an entertainment license. I live and own property around the corner and one short block from the proposed FayaSyde restaurant and bar, close enough to have received a postcard notice of this hearing. I heard the applicants' presentation to the Vilas Neighborhood Association about their proposed business and read the newspaper interview and article about them and was favorably impressed. They have done a good job of planning to avoid any potential disruption to the neighborhood. I believe their enterprise will be an asset to the neighborhood, adding to the variety of restaurant options available on Monroe Street and helping it to become more of a restaurant destination. Thank you.

Palette Bar & Grill Security Plan for Wednesday Music Events

Objective: To ensure a safe and secure environment during the Wednesday evening music events from 4:30 PM to 6:30 PM. This plan will focus on age verification, crowd control, and monitoring the premises to ensure a smooth and enjoyable experience for all patrons.

1. Age Verification & Entry Control

- **Host Stand Procedure:**
 - **Staff Responsibility:** The host stand staff will be responsible for checking the age of all patrons before entry. Each guest must present valid identification (e.g., driver's license, passport) to confirm they meet the age requirement.
 - **Age Requirement:** If the event is restricted to a specific age group (e.g., 21+), the host will enforce this policy, denying entry to those who do not meet the criteria.
 - **ID Verification Process:** The host will visually inspect each ID for validity, ensuring it is not expired, altered, or damaged. If there is any doubt about the authenticity of an ID, the guest will be denied entry.
 - **Guest Count Tracking:** The host stand staff will track the number of patrons entering to ensure capacity limits are not exceeded. Any overcapacity issues will be immediately addressed.

2. Security & Crowd Monitoring

- **Security Personnel/Manager on Duty:**
 - Manager on Duty (MOD) will act as security staff and will be present throughout the event to monitor the crowd, assist with age verification if needed, and respond to any issues that may arise.
 - MOD will be stationed near the host stand during peak entry times to assist in managing guest flow and ensuring that all patrons meet the age requirements.
 - MOD will also monitor the interior of the bar and music area for any disruptive behavior, such as intoxication, fights, or other safety concerns.
- **Crowd Control:**
 - MOD will help manage any lines outside the venue to prevent crowding and ensure a smooth entry process.
 - MOD will monitor the crowd during the event to make sure the music event remains peaceful and enjoyable for all guests.
 - If any guests become disruptive, security will approach them calmly and handle the situation as needed, potentially involving on-call security if necessary.

3. Event Flow & Safety

- **Patron Flow:** Staff will direct patrons to available seating or areas designated for the music event, ensuring there are no bottlenecks at the entrance.
- **Alcohol Monitoring:** The bar staff will monitor alcohol consumption, cutting off service to any guest who appears intoxicated or under the legal drinking age. Security will assist in removing any patrons who refuse to comply.

- **First Aid & Emergency Procedures:** On-Site staff will be trained in basic first aid and emergency procedures. They will be responsible for addressing any medical issues, calling for emergency services if needed, and assisting with any evacuations if necessary.

4. Communication & Incident Reporting

- **Communication:** Host stand staff and Management will maintain open lines of communication via radios or mobile phones to address any age-related issues, disturbances, or emergencies in real-time.
- **Incident Reporting:** Any incidents that occur during the event, such as underage entry, intoxication, or altercations, will be documented by security and reported to management for follow-up action.
- **Post-Event Review:** After each music event, management will conduct a brief debrief with the staff to review the procedures, identify any issues, and implement improvements for future events.

5. Closing Procedure

- **Final Patron Check:** As the event concludes, the host stand will ensure that all patrons exit in an orderly fashion, with security staff monitoring for any lingering guests.
- **Area Sweep:** Management will conduct a final sweep of the facility, ensuring all guests have left and the area is secure before the staff prepares for closing time.

Entertainment and Security Information

Live entertainment includes (check all that apply): ☒ Live Music ☒ Disc Jockey ☐ Designated Dance Floor
Live entertainment does not include non-amplified or acoustic music performed by a single artist, or performances where an uncompensated patron sings along with a machine that plays pre-recorded music, commonly known as karaoke.

Type of live entertainment to be offered: Mostly small acoustic groups, playing during the dinner hour

Number of security personnel and how they will be utilized: This is a small european-style restaurant with a wine focus, and music during dinner service, not a music venue. Security personnel will not be needed.

Description of clothing to identify security personnel: Events will generally not be ticketed and security personnel not needed.

Plan to handle control and clearance of the parking lot during hours of operation and at closing time:
There is no parking lot but ample parking on Allen St. It is a small restaurant and parking management is not needed.

How will the entrance line be managed and controlled: This is a small restaurant and there will never be a line for music, as it is meant to be complementary to dinner service.

Plan for unruly patrons, intoxicated patrons, and physical disturbances: As a small neighborhood restaurant, the likelihood of unruly patrons is low, but I require any employee behind the bar to attain a bartender certificate and operator license. My staff is well trained and equipped to handle this unlikely scenario.

Underage drinking and fake ID plan: I require any employee behind the bar to attain a bartender certificate and operator license. Most customers are residents walking from the neighborhood. But in this scenario, my staff is well trained and equipped to handle this situation.

Plan to control and supervise patrons under twenty-one (21) years of age: _____
Most customers are residents walking from the neighborhood. If there are customers under the age of 21, they are almost always in attendance with their parents, for dinner. If not, all bar staff have bartender certification.

How will orderly appearance and operation of the premises be maintained in regard to litter and noise:
As a small neighborhood restaurant with an earlier closing time, the likelihood of litter and noise is low.

However, licensed staff would attend to any unlikely scenario that might disturb the neighborhood including litter.

As the owner, I live in the neighborhood with my young children, and seek to enhance not disturb the environment.

Proposed Format

Wed - Mon, 7am-9pm

315 S Blount St

~\$50 for 2-hr entry

~\$200 for 2-hr Private Suite

Adults interested in the physical, social, mental benefits of sauna. Group gatherings and celebrations such as birthdays, teams, and more will also use this product as a more accessible alternative to typical area day soaps.

IDENTITY

Saunaday is the first Finnish-style bathhouse and brand in Madison, Wisconsin, focused on building resilient communities through the proven (and enjoyable) social, physical, and emotional benefits of communal bathing and contrast therapy.

PROBLEM

In the Madison-area, we currently do not have a modern, social bathhouse delivering a spa-like experience at an accessible price, that can be enjoyed any day of the week. As we see trends towards increased awareness of holistic health, decreased drinking by Gen Y, and epidemic levels of loneliness, public saunas are proven to support public health.

SOLUTION

Saunaday features a 2-hour public sauna circuit that can be taken at your own pace: 1) Sauna (~20 min), 2) Cold plunge (3-5 min), 3) Relax and rehydrate in our plant-filled lounge. In addition to the public circuit, suites are available for small groups.

TARGET MARKET

The beauty of the Saunaday target market is that it's designed to attract a diverse range of people—from young professionals looking for affordable and healthy social alternatives, parents looking for a mental break in their day, retirees looking for social connection, and anyone who wants to feel the natural high of contrast therapy.

THE COMPETITION

We're currently working in a local market gap, and will need to work quickly before national sauna and infrared franchises begin closing in our market and make digital advertising more expensive. Adjacent competition includes saunas at gyms and local day spas that focus more on 1:1 treatments and private sauna spaces.

REVENUE STREAMS

- **Communal Sauna:** 2 hours, \$45-55 (40 people max in 5000 SF)
- **Sauna Suites:** 1h 45, \$200 (2 suites, maximum of 8 people per suite)
- **Add ons:** Semi-private hot soaking tubs, infrared sauna, exfoliating scrubs, etc.
- **Marketplace:** Spa retail and refreshments

EXPENSES

- **Significant Build-out Investment:** Specialized structural, sauna and pool consultants.
- **Rent:** 4-5k SF in a value-aligned location
- **Payroll:** Labor-light model
- **Marketing & Brand:** High initial investment to educate
- **Utilities and services:** Ongoing power and water costs

MARKETING ACTIVITIES

- Social Media (@saunaday): Instagram and Tik Tok focus; social media ads and content creation
- Website (Sauna.Day): SEO (anticipate a low cost per click in this market), weekly newsletter, and booking your "Sauna Day"
- Press push nearing launch

Subject: Business plan for Izakaya Shinya Inc DBA Izakaya Kuroyama Food and Liquor License

Our establishment, Izakaya Kuroyama, stands as the latest addition to a series of successful ventures, who has previously triumphed with Shinya Ramen House and Shinya Bar and Grill, located at 3240 S Halsted St, Chicago, IL 60616; and 2255 W North Ave, Chicago, IL 60647, accordingly. We also have another pending location Izakaya Tokyo located at 42 N Cass Ave Westmont IL 60559. Established by Hugo Liang in 2018, Shinya Ramen House has been a resounding success, and the subsequent opening of Shinya Bar and Grill further solidified our presence and popularity within the neighborhood.

Description of Proposed Work

Our vision is to create an immersive Japanese experience for our guests from the moment they step through the doors. Through thoughtful remodeling, we aim to transport our patrons to the heart of Japan, where tradition meets modernity in a harmonious blend.

We aspire to provide a memorable and immersive Japanese dining experience that leaves a lasting impression on our guests, ensuring they feel as though they have truly stepped into the heart of Japan.

Description of the Business and Industry:

Izakaya Tokyo is a unique addition to the local culinary scene, building on the success of Shinya Ramen House and Shinya Bar and Grill. It prides itself on promoting cultural diversity and offering an immersive educational experience for patrons interested in Japanese traditions. Our establishment is meticulously designed to create a welcoming atmosphere where responsible adults can savor the art of Japanese cuisine and indulge in premium Japanese sakes. Our expected sales for alcohol is 15% and 85% for food.

Features and Advantages of the Project:

Our project distinguishes itself by focusing on the fusion of traditional Japanese culinary delights with a contemporary and inviting ambiance. The specialization in serving Japanese sake alongside our meticulously crafted meals enhances the overall dining experience,

setting us apart from conventional bars and grills. This combination of authentic flavors and cultural immersion is poised to attract a diverse clientele, contributing to the vibrancy of the local community.

Improvement Sought and its Impact on the Business and Downtown:

The improvements we seek in securing a liquor license will not only allow us to expand our offerings but will also significantly contribute to the enhancement of the downtown area. By providing a unique and culturally rich establishment, we aim to draw more foot traffic to the downtown district, thereby boosting local businesses and creating a more vibrant and thriving community.

Credentials and Experience of Business Owners:

The owner, with a proven track record in successfully managing Shinya Ramen House and Shinya Bar and Grill, brings a wealth of experience and expertise to Izakaya Kuroyama. The success of the past ventures attests to the owner's commitment to quality, customer satisfaction, and operational excellence.

Unusual or Expected Difficulties or Hardships:

While we anticipate challenges inherent in the hospitality industry, such as competition and market dynamics, we are well-prepared to navigate these obstacles. The uniqueness of our concept, coupled with our commitment to exceptional service and cultural enrichment, positions us favorably to overcome any challenges that may arise.

In conclusion, Izakaya Kuroyama, building on the legacy of Shinya Ramen House and Shinya Bar and Grill, is poised to become a cornerstone of the local dining and entertainment scene. We are confident that the proposed improvements, including obtaining a liquor license, will not only elevate Izakaya Kuroyama but will also positively impact the entire community.

Hours and Operations:

Our hours will be ideally 4pm-2am, and it's the same with our other restaurant. We are dedicated to fulfilling the culinary cravings of the Madison neighborhood's nighttime food enthusiasts.
