Fiscal Note

In recent years, there were three locations in the City where Madison residents could drop off yard waste and other products. Two of the locations remain open as full service self help drop off sites. The South Point site, which only accepted yard waste, was eliminated from the 2013 Operating Budget. This resolution restores funding for the site at South Point at a total cost of \$19,168. The resolution also restores funding for Sunday hours at all three drop off sites, at a cost of an additional \$19,168. Funding of \$1,138,660 currently remains available within the 2013 Contingent Reserve.
