Title

Approving Facade Improvement Grant to Common Wealth Development, Inc. for a project located at 1406 Williamson Street.

Body

On October 3, 2000, the Common Council adopted Resolution ID # 61179, approving the Facade Improvement Grant Program to support and encourage small local businesses to reinvest in the downtown and smaller, neighborhood shopping and business areas and designating the Community Development Authority as the agent of the City for the operation and administration of the Program. The grants are matching grants and will be provided in an amount up to 50% of the total project costs up to a maximum of \$10,000 for a single facade, \$20,000 for a building with two facades, and \$25,000 for a “flatiron” building. The objective of the Program is to restore, beautify, or enhance the entire facade or elevation of a commercial building. The Facade Improvement Grant Program Staff Team has reviewed the following Façade Improvement proposals and determined that it meets the requirements of the Program. The CDA has granted a waiver to the Program Target Area so that we may serve this Madison Historic Landmark property. The Urban Design Commission has reviewed the proposals and recommends design approval.

NOW, THEREFORE, BE IT RESOLVED that the Common Council does hereby approve the following Facade Improvement Grant proposals:

Grantee: Common Wealth Development, Inc.

1406 Williamson Street

The scope of the exterior work will include:

- a. Remove existing metal storefront canopy.
- b. Repaint/Stain existing painted brick and mortar to match existing unpainted brickwork.
- c. Construct new load bearing exterior wall and install storefront aluminum frames and glass.
- d. Install new entrance doors and soffit lighting for first floor tenant and second floor apartment.

Total project cost is estimated at \$28,861. Façade Improvement Grant not to exceed \$10,000.

BE IT FURTHER RESOLVED that the Mayor and City Clerk be and hereby are authorized to execute grant agreements with the grantees and any other documents necessary to complete these improvements.
