**Fiscal Note**

Payment for these services will not exceed \$30,500 per year, plus a fee of \$13 for each microwave oven, fluorescent light fixture, and each appliance containing ozone depleting refrigerants. Funding has been provided in the Streets Division 2010 Operating Budget under "Processing Fees - Metals". No additional appropriation is required.

**Title**

Authorizing the Mayor and the City Clerk to contract with Moor Salvage to process appliances and scrap metal for recycling.

**Body**

WHEREAS: The Streets Division collects appliances and scrap metal in its large item program and many of the appliances collected require the removal of CFC's, mercury switches, and capacitors prior to recycling, and

WHEREAS: The Streets Division has contracted with Moor Salvage and Recovery for the last 17 years during which time, Moor's has been cooperative, and flexible in meeting the Streets Division's needs and has operated in full compliance with all laws governing the recycling of appliances, and

WHEREAS: Moor Salvage and Recovery submitted the best proposal for the processing of scrap metal and appliances in response to a recent RFP and

WHEREAS: Moor Salvage and Recovery's new proposal will save the City of Madison at least \$15,000 per year compared to the current contract,

NOW THEREFORE BE IT RESOLVED that the Mayor and the City Clerk be authorized to contract with Moor Salvage and Recovery for the processing of appliances and scrap metal form the Streets Division's large item

program for the years 2010 through 2013.
