Fiscal Note

The proposed resolution amends the Police Department’s operating budget and authorizes the acceptance of a Project Safe Neighborhoods grant award from the Wisconsin Department of Justice in the amount of \$9,278. The grant will pay overtime costs incurred to process ballistic casings in the National Integrated Ballistic Information Network, an investigative tool to address gun related crimes. Investigators are expected to process casings within 24 hours of receipt which can necessitate overtime. The grant will be used to cover the overtime salaries and most benefits incurred for processing while the funding lasts. The Department will absorb the retirement benefits related to the overtime (\$1,020). There is no impact on the levy.
