Title

Authorizing the Information Technology 2007 Capital Budget to be amended to include \$110,000 for purchase and installation of an electrical generator in the City-County Building.

Body

Whereas, the Information Technology Department is charged with the responsibility for providing the necessary infrastructure to maintain technology services continuation for City government operations; and

Whereas, the City Data Center in the GA level of the City-County Building supports computer operations throughout all City departments; and

Whereas, this Data Center currently has approximately only 40 minutes of emergency backup power in the form of a Uninterruptible Power Supply (UPS); and

Whereas, the Dane County Information Technology Department also has a need for a backup generator and will be installing a generator in 2007; and

Whereas, Dane County has offered to share a generator with the City; and

Whereas, the City had anticipated allocation of \$90,000 in the 2008 Capital Improvement Program to share in the purchase of a generator,

Now, Therefore be it Resolved, that the Common Council hereby authorizes that the Information Technology 2007 Capital Budget be amended to include \$110,000 for purchase and installation of an electrical generator in the City-County Building, using general obligation borrowing.
