Fiscal Note

This MOA will be funded out of the Water Utility General Operating Budget and the costs will not exceed \$33,000 per academic year.

Title

Authorizing the Mayor and the City Clerk to enter into a Memorandum of Agreement with the Board of Regents of the University of Wisconsin for the purpose of continuing to promote drinking water research that will help to improve the water quality within the City of Madison water system, protect the public health, and improve system operations.

Body

WHEREAS, Madison Water Utility is tasked with the responsibility of providing safe drinking water to the citizens of the City of Madison; and

WHEREAS, Madison Water Utility has conducted research with the UW Department of Civil and Environmental Engineering since 2002 and wishes to continue that relationship; and

WHEREAS, Madison Water Utility is constantly looking for and evaluating ways to improve system operations, maintain existing high quality of water, and protect the public health; and

WHEREAS, The graduate program in the Department of Civil and Environmental Engineering at the University of Wisconsin- Madison provides an excellent resource in drinking water research that Madison Water Utility wishes to continue to support and utilize.

NOW THEREFORE BE IT RESOLVED that the Common Council of the City of Madison authorizes the Mayor and City

Clerk to execute a Memorandum of Agreement with the Board of Regents of the University of Wisconsin for the purpose of promoting drinking water research to improve the water quality within the Madison water system, protect the public health, and improve system operations.

BE IT FINALLY RESOLVED that progress reports of ongoing research shall be shared with the Madison Board of Water Commissioners and that final reports of the findings from research projects carried out under this agreement shall be delivered in the form of a Master's thesis.
