### **Fiscal Note**

The proposed resolution amends the 2023 Adopted Capital Budget of the Economic Development Division, and authorizes the award of Public Works Contract No. 8595, Madison Public Market. The budget amendment adds \$2,279,755 \$1,641,071 in new City-issued General Obligation borrowing authorization, and up to \$1,000,000 in additional Dane County funding, to the Madison Public Market project (MUNIS #10069) to support overall project costs. The resolution also directs City staff to pursue an amendment the TID #36 Project Plan from the TIF Joint Review Board to utilize TID #36 funding in lieu of GO borrowing. If the Project Plan amendment is approved, TIF funding would replace GO Borrowing.

The construction cost for the base bid plus alternates #1 and #2 will be funded by the Madison Public Market

#### File #: 80106, Version: 2

project (MUNIS #10069). Funding for alternate #3 - Solar PV system bid item will be funded via existing budget in the Engineering Facilities Management Capital Budget Energy Improvement program (MUNIS #14908).

This resolution authorizes the award of the base bid and alternates #1, #2 and #3 in Public Works Contract No. 8595. The budget amendment provides sufficient budget authority to award Public Works Contract No. 8595 - Madison Public Market and complete the remaining non-Public Works project costs (i.e. design consultant fees, staff time, furnishings/fixtures/equipment, percent for art, and related startup costs). Title

WHEREAS, the City of Madison has been planning for a Madison Public Market for years, with work on the most recent effort starting in 2012 through the formation of the now named Public Market Development Committee; and

WHEREAS, site searches, business planning, the completion of a Racial Equity and Social Justice Initiative analysis, and the launch of a MarketReady Program for prospective vendors occurred during early years of the Public Market Development Committee work; and

WHEREAS, the City of Madison selected the Madison Public Market Foundation in 2018 to be the entity responsible for operating the Madison Public Market; and

WHEREAS, once open, the Madison Public Market will address three primary goals: supporting food based entrepreneurship, especially among historically disadvantaged business owners; providing affordable, healthy food options; and, providing a public, year-round gathering place for all Madisonians; and

(RES-19-00093); and

WHEREAS, on March 3, 2020 the City of Madison Common Council approved a change to the zoning of property located at 202 North First Street and approved a General Development Plan and Specific Implementation Plan to convert the Fleet Services Building into the Madison Public Market (ORD-20-00029); and

WHEREAS the City of Madison Common Council approved a Lease, Operating Agreement, and Responsibility Matrix with the Madison Public Market Foundation on 7/25/23 (RES-23-00508); and

(RES-23-00441); and

WHEREAS, the A/E consultant team completed construction documents for Public Works bidding and received a final construction cost estimate of \$12,500,000 (plus an associated 8% construction contingency of \$1,000,000); and

WHEREAS, there is also a desire to proceed with alternates #1 and #2 and proceed with the originally conceived budget for the market furnishings, fixtures, and equipment package which would add an additional \$1,638,684 in projects costs for a total of \$3,279,755 beyond the current project budget; and

WHEREAS, the additional project costs will be funded by additional city borrowing of \$2,279,755 \$1,641,071 and potentially funded from Dane County sources of \$1,000,000; and

WHEREAS, there is a desire to proceed with alternate #3 (solar PV) to be funded via existing budget in the Engineering Facilities Management Capital Budget in the Energy Improvement program;

BE IT FURTHER RESOLVED that the Economic Development Division's 2023 Adopted Capital Budget shall be amended upon execution of an agreement with Dane County to appropriate an additional \$1,000,000 county contribution to the Madison Public Market project (MUNIS #10069).; and

BE IT FURTHER RESOLVED that the following low bids for miscellaneous improvements be accepted and that the Mayor and City Clerk be and are hereby authorized and directed to enter into a contract with the low bidder, as determined by the base bids contained herein, and proceed with a contract for work identified as part of the base bid and additive alternates #1 (south hall garage doors), #2 (south hall windows), and #3 (solar PV), subject to the Contractor's compliance with Section 39.02 of the Madison General Ordinances concerning compliance with the Affirmative Action provisions and subject to the Contractor's compliance with Section 33.07 of the Madison General Ordinances regarding Best Value Contracting.; and
