.Fiscal Note

Madison Water Utility (Utility) has been approved to receive \$2.93 million in principal forgiveness and \$2.93 million as a low-interest loan from the Safe Drinking Water Loan Program (SDWLP) for completing construction of the treatment facility. The SDWLP loan has an attractive annual interest rate of 2.145% and is repayable over a 20-year period.

Under the proposed nationwide PFAS litigation settlements, the Utility is expected to receive an estimated settlement payment of \$3.50 million over a 12-year proposed settlement payment period (2024-2036). The estimated payment would adequately cover the projected principal and interest payments on the \$2.93 million low-interest loan from the SDWL Program.

The principal forgiveness portion of the SDWL Program (\$2.93 million) along with the estimated PFAS settlement amount (\$3.50 million) would pay for the Utility’s Well 15 PFAS treatment facility project (\$5.89 million), resulting in no direct financial impact on the Utility’s rate payers.

The attached resolution authorizes the issue of \$2,932,862 in revenue bonds to the SDWLP. The DNR, who administers the SDWLP, plans to close the Utility’s loan on July 24, 2024.

thereof and sold to the SDWLP in accordance with the terms and conditions of the Financial Assistance Agreement, which is incorporated herein by this reference. The Mayor and the Clerk of the Municipality are hereby authorized, by and on behalf of the Municipality, to execute the Financial Assistance Agreement.

Terms of the Bonds.

The Bonds shall be designated “Subordinate Water Utility Revenue Bonds, Series 2024B”; shall be dated the Original Issue Date; shall be numbered one and upward; shall bear interest at the rate of 2.145% per annum, calculated on the basis of a 360-day year made up of twelve 30-day months; shall be issued in denominations of \$0.01 or any multiple thereof; and shall mature on May 1 in the years and in the amounts as set forth in Exhibit B of the Financial Assistance Agreement and in the form of Bond attached hereto as Exhibit A. Interest on the Bonds shall be payable semiannually on May 1 and November 1 of each year, commencing November 1, 2024. The Bonds shall not be subject to redemption prior to maturity except as provided in the Financial Assistance Agreement.

The schedule of maturities of the Bonds is found to be such that the amount of annual debt service payments, taking in to account the debt service payments on the Senior Bonds and the Outstanding Bonds, is reasonable in accordance with prudent municipal utility practices.

Form, Execution, Registration, and Payment of the Bonds.

The Bonds shall be issued as registered obligations in substantially the form attached hereto as Exhibit A and incorporated herein by this reference.

The Bonds shall be executed in the name of the Municipality by the manual signatures of the Mayor and the Clerk of the Municipality and shall be sealed with its official or corporate seal, if any.

The principal of, premium, if any, and interest on, the Bonds shall be paid by the Municipal Treasurer, who is hereby appointed as the Bond Registrar.

Both the principal of, and interest on, the Bonds shall be payable in lawful money of the United States of America by the Bond Registrar. Payment of principal of the final maturity on the Bonds will be payable upon presentation and surrender of the Bonds to the Bond Registrar. Payment of principal on the Bonds (except the final maturity) and each installment of interest shall be made to the registered owner of each Bond who shall appear on the registration books of the Municipality (the “**Register**”), maintained by the Bond Registrar, on the Record Date and shall be paid by electronic money transfer or by check of the Municipality, sent by overnight delivery service, to such registered owner at the address shown on the Register or at such other address may be furnished in writing by such registered owner to the Bond Registrar.

Each Bond is transferable only upon the Register at the office of the Bond Registrar, by the registered owner in person or its duly authorized attorney, upon surrender of the Bond, together with a written instrument of transfer (which may be endorsed hereon) satisfactory to the Bond Registrar, duly executed by the registered owner or its duly authorized attorney. Thereupon a replacement Bond shall be issued to the transferee in exchange therefor. The Municipality may deem and treat the person in whose name each Bond is registered as the absolute owner hereof for the purpose of receiving payment of or on account of the principal or interest hereof and for all other purposes.

Security for the Bonds.

The Bonds, together with interest thereon, shall not constitute an indebtedness of the Municipality nor a charge against its general credit or taxing power. The Bonds, together with interest thereon, shall be payable only out of the Debt Service Fund affirmed and continued hereunder, and shall be a valid claim of the registered owner or owners thereof only against such Debt Service Fund and the revenues of the System pledged to such fund, junior and subordinate to the pledge of Net Revenues in the Special

Redemption Fund (as defined in the Senior Resolutions) granted to the owners of the Senior Bonds, and on a parity and equality of rank with the Outstanding Bonds. Sufficient revenues of the System are hereby pledged to the Debt Service Fund and shall be used for no other purpose than to pay the principal of, premium, if any, and interest on the Bonds, the Outstanding Bonds, and any Parity Bonds as the same become due.

Funds and Accounts.

In accordance with the Act, for the purpose of the application and proper allocation of the revenues of the System, and to secure the payment of the principal of, premium, if any, and interest on, the Bonds, the Outstanding Bonds, and any Parity Bonds, the Municipality affirms, continues, and creates, as applicable, the following funds and accounts of the System, some of which were originally created, continued, or renamed, as applicable, under Section 34 of the 2007 Resolution and continued under the remaining Senior Resolutions, and some of which were originally created under Section 6 of the 2023 Resolution (collectively, the “**Funds and Accounts**”), to provide for the collection, distribution, and use of the Gross Revenues and proceeds of the Bonds, which shall be used solely for the following respective purposes:

Water Utility Revenue Fund (the “**Revenue Fund**”), into which shall be deposited as received the entire Gross Revenues of the System after deduction of amounts required by the Senior Resolutions to be deposited in the funds and accounts for the Senior Bonds, which money shall then be divided among the Operation and Maintenance Fund, the Special Redemption Fund, the Depreciation Fund, and the Surplus Fund, and from the Surplus Fund to the Debt Service Fund in the amounts and in the manner set forth in Section 7 hereof and used for the purposes described below.

Water Utility Operation and Maintenance Fund (the “**Operation and Maintenance Fund**”), which will be used to hold amounts expected to be used for the payment of the reasonable and necessary expenses of operating and maintaining the System, including salaries, wages, materials, supplies, and insurance, unless the balance in the Operation and Maintenance Fund exceeds the estimated operating and maintenance expenses of the System for the next succeeding 90 days, in which case the excess amount, (i) after deduction of amounts required by the Senior Resolutions to be deposited in the funds and accounts for the Senior Bonds must be transferred to the Debt Service Fund to remedy any deficiency in the Debt Service Fund, and (ii) if or to the extent that no such deficiency exists, then the remaining excess amount may be transferred to the Surplus Fund.

Water Utility Special Redemption Fund (the “**Special Redemption Fund**”), which is divided into the following three accounts: (i) the “Interest and Principal Account”, (ii) the “Earnings Account”, and (iii) the “Reserve Account.” Amounts held in the Interest and Principal Account and the Earnings Account will be used only to pay principal of, and premium, if any, and interest on, the Senior Bonds and any bonds issued on a parity to the Senior Bonds as provided in the Senior Resolutions (the “**Senior Parity Bonds**”). Amounts held in the Reserve Account will be used to pay principal of, or interest on, the Senior Bonds or any Senior Parity Bonds on any date when amounts in the Interest and Principal Account and the Earnings Account are insufficient to make such payments as provided in the Senior Resolutions.

Water Utility Depreciation Fund (the “**Depreciation Fund**”), which will be used to hold amounts expected to be used to pay for repairs, replacements, extensions, or additions to the System, *provided*, that amounts in the Depreciation Fund can be used only if such amounts are not needed to make up any deficiency in the Interest and Principal Account or the Reserve Account described in (c) above, and the deposit to the Debt Service Fund for the payment of the Bonds, the Outstanding Bonds, and Parity Bonds.

Water Utility Surplus Fund (the “**Surplus Fund**”), which shall be applied *first*, as required by the Senior Resolutions, to pay principal of, or interest on, the Senior Bonds when the Special Redemption Fund for the Senior Bonds is insufficient for that purpose, and to remedy any deficiency in any of the Funds and Accounts as described in the Senior Resolutions, and *second*, as required by this

Resolution, to make deposits to the Debt Service Fund described in (f) below to provide for the payment of the principal of, and interest on, the Bonds, the Outstanding Bonds, and any Parity Bonds as the same becomes due, and to remedy any deficiency in any of the Funds and Accounts. Notwithstanding the provisions of the Senior Resolutions, amounts in the Surplus Fund shall not be used for any other purpose except to the extent such amounts are in excess of the amounts required to pay the principal of, and interest coming due on, the Senior Bonds, the Bonds, the Outstanding Bonds, and any Parity Bonds on their next respective interest payment dates. If at the close of any Fiscal Year there is no such deficiency, then such amounts may be disbursed as follows:

to retire the Bonds, the Outstanding Bonds, or any Parity Bonds in advance of maturity by redemption; or

to rebate payments made by customers of the System pursuant to any plan adopted by the Governing Body of the Municipality; or

to the general fund of the Municipality.

Water Utility Subordinate Special Redemption Fund (the “**Debt Service Fund**”), which shall be used for the payment of the principal of, premium, if any, and interest on the Bonds, the Outstanding Bonds, and Parity Bonds as the same become due.

2024B Water Utility SDWLP Project Fund, which shall be used for the purpose of paying the costs of the Project as described in Section 13 hereof.

2024B Rebate Fund, which shall be used for the purpose of paying any rebate liability with respect to the Bonds as described in Section 16 hereof.

The Special Redemption Fund created under the Senior Resolutions for the Senior Bonds, including the Earnings Account and the Reserve Account therein, is not pledged to the payment of principal of or interest on the Bonds, the Outstanding Bonds, or any Parity Bonds, and amounts on deposit in the Special Redemption Fund shall not be used for the payment of principal of or interest on the Bonds, the Outstanding Bonds, or any Parity Bonds as the same becomes due.

Application of Revenues.

Until all Bonds, Outstanding Bonds, and any Parity Bonds have been retired, or until there is on deposit in the Debt Service Fund an amount sufficient to provide for the payment of the Bonds, the Outstanding Bonds, and any Parity Bonds, together with interest thereon to maturity, the Gross Revenues of the System shall be deposited as collected in the Revenue Fund and shall be transferred monthly to the funds listed below in the following order of priority and in the manner set forth below:

to the Operation and Maintenance Fund, an amount equal to the estimated Current Expenses for such month and for the following month (after giving effect to available amounts in said fund from prior deposits);

to the Special Redemption Fund, amounts sufficient to fund the accounts therein as required under the Senior Resolutions.

to the Depreciation Fund, an amount determined by the Governing Body to be sufficient to provide a proper and adequate depreciation account for the System;

to the Surplus Fund, any amount remaining in the Revenue Fund after the monthly transfers required in (a) through (c) above have been completed, to be further applied as described in Section 6

(e) above, and the deposit to the Debt Service Fund described below; and.

to the Debt Service Fund, an amount equal to one-sixth (1/6) of the next installment of interest coming due on the Bonds, the Outstanding Bonds, and any Parity Bonds then outstanding and an amount equal to one-twelfth (1/12) of the installment of principal of the Bonds, the Outstanding Bonds, and any Parity Bonds coming due during such Bond Year (after giving effect to available amounts in said fund from accrued interest, any premium or any other source);

Transfers from the Revenue Fund to the Operation and Maintenance Fund, the Special Redemption Fund, the Depreciation Fund, and the Surplus Fund, and from the Surplus Fund to the Debt Service Fund, shall be made monthly in the order indicated above, on such dates as are necessary to carry out the purposes of the respective funds, and such transfer shall be applicable to monies on deposit in the Revenue Fund as of the last day of the preceding month. Any other transfers and deposits to any fund required or permitted by subsection (a) through (e) of this Section 7, except transfers or deposits which are required to be made immediately or annually, shall be made on such dates as are necessary to carry out the purposes of the respective funds. Any transfer or deposit required to be made at the end of any Fiscal Year shall be made within 60 days after the close of such Fiscal Year.

It is the express intent and determination of the Governing Body that the amounts transferred from the Surplus Fund and deposited in the Debt Service Fund shall be sufficient in any event to pay the interest on the Bonds, the Outstanding Bonds, and any Parity Bonds and the principal thereof as the same becomes due.

Deposits and Investments.

The Debt Service Fund shall be kept apart from monies in the other funds and accounts and the same shall be used for no purpose other than the prompt payment of principal of, premium if any, and interest on, the Bonds, the Outstanding Bonds, and any Parity Bonds as the same become due and payable. All monies therein shall be deposited in special and segregated accounts in a public depository selected under Chapter 34 of the Wisconsin Statutes and may be temporarily invested until needed in legal investments subject to the provisions of Section 66.0603(1m) of the Wisconsin Statutes. The other funds herein created or continued, as applicable (except the 2024B Water Utility SDWLP Project Fund created in Section 6 hereof), may be combined in a single account in a public depository selected in the manner set forth above and may be temporarily invested until needed in legal investments subject to the provisions of Section 66.0603(1m) of the Wisconsin Statutes.

Service to the Municipality.

The reasonable cost and value of services rendered to the Municipality by the System by furnishing water services for public purposes shall be charged against the Municipality and shall, to the extent permitted by law, be paid in monthly installments as the service accrues, out of the current revenues of the Municipality collected or in the process of collection, exclusive of the revenues derived from the System; that is to say, out of the tax levy of the Municipality made by it to raise money to meet its necessary current expenses. The reasonable cost and value of such service to the Municipality in each year shall be equal to an amount which, together with other revenues of the System, will produce in each Fiscal Year Net Revenues equivalent to not less than the annual principal and interest requirements on the Senior Bonds, the Bonds, the Outstanding Bonds, and any Parity Bonds, and any other debt obligations payable from the revenues of the System then outstanding times the greater of (i) 110%, or (ii) the highest debt service coverage ratio required with respect to any debt obligations payable from the revenues of the System then outstanding. However, such payment out of the tax levy shall be subject to (a) approval of the Wisconsin Public Service Commission, or successors to its function, if applicable, (b) yearly appropriations therefor, and (c) applicable levy limitations, if any; but neither this Resolution nor such payment shall be construed as constituting an obligation of the Municipality to make any such appropriation over and above the reasonable cost and value of the services rendered to the Municipality and its inhabitants or to make any subsequent payment over and above such

reasonable cost and value.

Operation of System; Municipality Covenants.

It is covenanted and agreed by the Municipality with the owner or owners of the Bonds, and each of them, that the Municipality will perform all of its obligations as set forth in the Financial Assistance Agreement.

Additional Bonds.

Additional obligations payable out of the revenues of the System that have a priority over the Bonds, the Outstanding Bonds, and any Parity Bonds may be issued as provided in the Senior Resolutions. Additional obligations may be issued if the lien and pledge is junior and subordinate to that of the Bonds, the Outstanding Bonds, and the Senior Bonds. Additional Parity Bonds may be issued only if all the following conditions are met:

- (i) The Net Revenues of the System for the Fiscal Year immediately preceding the issuance of such additional Parity Bonds must have been in an amount at least equal to the maximum annual interest and principal requirements on all bonds outstanding payable from the revenues of the System (other than obligations subordinate to the Bonds and the Outstanding Bonds), and on the bonds then to be issued, times the greater of (a) 1.10 or (b) the highest debt service coverage ratio to be required with respect to any Senior Bonds, Outstanding Bonds, and Parity Bonds then outstanding. Should an increase in permanent rates and charges, including those made to the Municipality, be properly ordered and made effective during the Fiscal Year immediately prior to the issuance of such additional Parity Bonds or during that part of the Fiscal Year of issuance prior to such issuance, then Net Revenues for purposes of such computation shall include such additional revenues as an independent certified public accountant, consulting professional engineer or the Wisconsin Public Service Commission may certify would have accrued during the prior Fiscal Year had the new rates been in effect during that entire immediately prior Fiscal Year.
- (ii) The payments required to be made into the funds enumerated in Section 6 of this Resolution must have been made in full.
- (iii) Additional Parity Bonds must have principal maturing on May 1 of each year and interest due on May 1 and November 1 of each year.
- (iv) The proceeds of additional Parity Bonds must be used only for the purpose of providing extensions or improvements to the System, or to refund obligations issued for such purpose.
- (v) Additional Parity Bonds may, at the discretion of the Municipality, be issued with the additional security of a reserve fund but any such reserve fund shall not be available as additional security for the Bonds.

Sale of Bonds.

The sale of the Bonds to the SDWLP for the purchase price of up to \$2,932,862, and at par, is ratified and confirmed; and the officers of the Municipality are authorized and directed to do any and all acts, including executing the Financial Assistance Agreement and the Bonds as herein above provided, necessary to conclude delivery of the Bonds to the SDWLP, as soon after adoption of this Resolution as is convenient. The purchase price for the Bonds shall be paid upon requisition therefor as provided in the Financial

Assistance Agreement. The officers of the Municipality are authorized to prepare and submit to the SDWLP any requisitions or disbursement requests in anticipation of the execution of the Financial Assistance Agreement and the issuance of the Bonds.

Application of Bond Proceeds.

The proceeds of the sale of the Bonds shall be deposited by the Municipality into the “**2024B Water Utility SDWLP Project Fund**” created and established under Section 6 hereof. The 2024B Water Utility SDWLP Project Fund shall be used solely for the purpose of paying the costs of the Project (including capitalized interest, if any, on the Bonds) as more fully described in the recitals of this Resolution and in the Financial Assistance Agreement. Moneys in the 2024B Water Utility SDWLP Project Fund shall be disbursed within three business days after their receipt from the SDWLP and shall not be invested in any interest-bearing account.

Amendment to Resolution.

After the issuance of the Bonds, no change or alteration of any kind in the provisions of this Resolution may be made until all of the Bonds have been paid in full as to both principal and interest, or discharged as herein provided, except: (a) the Municipality may, from to time, amend this Resolution without the consent of any of the owners of the Bonds, but only to cure any ambiguity, administrative conflict, formal defect, or omission or procedural inconsistency of this Resolution; and (b) this Resolution may be amended, in any respect, with a written consent of the owners of not less than two-thirds (2/3) of the principal amount of the Bonds then outstanding, exclusive of Bonds held by the Municipality; *provided, however*, that no amendment shall permit any change in the pledge of revenues derived from the System or the maturity of any Bond issued hereunder, or a reduction in the rate of interest on any Bond, or in the amount of the principal obligation thereof, or in the amount of the redemption premium payable in the case of redemption thereof, or change the terms upon which the Bonds may be redeemed or make any other modification in the terms of the payment of such principal or interest without the written consent of the owner of each such Bond to which the change is applicable.

Defeasance.

When all Bonds have been discharged, all pledges, covenants, and other rights granted to the owners thereof by this Resolution shall cease. The Municipality may discharge all Bonds due on any date by irrevocably depositing in escrow with a suitable bank or trust company a sum of cash and/or bonds or securities issued or guaranteed as to principal and interest by the United States, or by a commission, board, or other instrumentality of the United States, maturing on the dates and bearing interest at the rates required to provide funds sufficient to pay when due the interest to accrue on each of the Bonds to maturity or, at the Municipality’s option, if said Bond is prepayable to any prior date upon which it may be called for redemption, and to pay and redeem the principal amount of each such Bond at maturity, or at the Municipality’s option, if said Bond is prepayable, at its earliest redemption date, with the premium required for such redemption, if any, provided that notice of the redemption of all prepayable Bonds on such date has been duly given or provided for.

Rebate Fund.

Unless the Bonds are exempt from the rebate requirements of the Internal Revenue Code of 1986, as amended (the “**Code**”), the Municipality shall establish and maintain, so long as the Bonds are outstanding, a separate account to be known as the “**2024B Rebate Fund**.” The sole purpose of the 2024B Rebate Fund is to provide for the payment of any rebate liability with respect to the Bonds under the relevant provisions of the Code and the Treasury Regulations promulgated thereunder (the “**Regulations**”). The 2024B Rebate Fund shall be maintained by the Municipality until all required rebate payments with respect to the Bonds have been made in accordance with the relevant provisions of the Code and the Regulations.

The Municipality hereby covenants and agrees that it shall pay to the United States Treasury from the 2024B Rebate Fund, on the dates and in the amounts and manner required by the Code and the Regulations, the portion of the “rebate amount” (as defined in Section 1.148-3(b) of the Regulations) that is due as of each “computation date” (within the meaning of Section 1.148-3(e) of the Regulations). As of the date of this Resolution, the provisions of the Regulations specifying the required amounts of rebate installment payments and the time and manner of such payments are contained in Sections 1.148-3(f) and (g) of the Regulations, respectively. Amounts held in the 2024B Rebate Fund and the investment income therefrom are not pledged as security for the Bonds, the Outstanding Bonds, or any Parity Bonds and may only be used for the payment of any rebate liability with respect to the Bonds.

The Municipality may engage the services of a qualified rebate determination provider to assist it in determining the rebate payments, if any, owed to the United States with respect to the Bonds. The Municipality shall maintain or cause to be maintained records of determinations of rebate liability made with respect to the Bonds for each computation date until three (3) years after the April 15th of the calendar year immediately preceding the retirement of the last Bond. The Municipality shall make such records available to the SDWLP upon reasonable request therefor.

Resolution a Contract.

The provisions of this Resolution shall constitute a contract between the Municipality and the owner or owners of the Bonds, and after issuance of any of the Bonds no change or alteration of any kind in the provisions of this Resolution may be made, except as provided in Section 14, until all the Bonds have been paid in full as to both principal and interest. The owner or owners of any the Bonds shall have the right, in addition to all other rights, by mandamus or other suit or action in any court of competent jurisdiction, to enforce such owner’s or owners’ rights against the Municipality, the Governing Body, and any and all officers and agents thereof including, but without limitation, the right to require the Municipality, its Governing Body and any other authorized body, to fix and collect rates and charges fully adequate to carry out all of the provisions and agreements contained in this Resolution.

Continuing Disclosure.

The officers of the Municipality are hereby authorized and directed, if requested by the SDWLP, to provide to the SDWLP and to such other persons or entities as directed by the SDWLP, such ongoing disclosure regarding the Municipality’s financial condition and other matters, at such times and in such manner as the SDWLP may require, in order that securities issued by the Municipality and the SDWLP satisfy rules and regulations promulgated by the Securities and Exchange Commission under the Securities Exchange Act of 1934, as amended or may be amended from time to time imposed on brokers and dealers of municipal securities before the brokers and dealers may buy, sell, or recommend the purchase of such securities.

Application of Surplus Fund.

From and after the date of issuance of the Bonds, and while any of the Bonds, the Outstanding Bonds, and Parity Bonds shall be outstanding, amounts in the Surplus Fund shall be applied (i) *first*, as required by the Senior Resolutions, to pay principal of, or interest on, the Senior Bonds when the Special Redemption Fund is insufficient for that purpose, and to remedy any deficiency in any of the Funds or Accounts, and (ii) *second*, as required by this Resolution, to make deposits to the Debt Service Fund to provide for the payment of the principal of, and interest on, the Bonds, the Outstanding Bonds, and any Parity Bonds as the same becomes due, and to remedy any deficiency in any of the Funds and Accounts. Notwithstanding the provisions of the Senior Resolutions, amounts in the Surplus Fund shall not be used for any other purpose except to the extent such amounts are in excess of the amounts required to pay the principal of, and interest coming due on, the Senior Bonds, the Bonds, the Outstanding Bonds, and any Parity Bonds on their next respective interest payment dates, as described in Section 6(e) of this Resolution.

Publication of Notice.

The Clerk of the Municipality shall publish notice that the Municipality has agreed to sell the Bonds. The notice shall be published promptly after the execution of the Financial Assistance Agreement in the Municipality's official newspaper as a class 1 notice under Chapter 985 of the Wisconsin Statutes. The notice shall be in substantially the form attached hereto as in Exhibit B. The Clerk shall obtain proof, in affidavit form, of the publication, and shall compare the published notice with the attached form to confirm that no mistake was made in publication.

Conflicting Resolutions.

In case any part of a prior action of the Governing Body conflicts with this Resolution, that part of the prior action is hereby rescinded; except that this Section shall not be interpreted as rescinding any part of the Senior Resolutions. In the case of any conflict between this Resolution and the Senior Resolutions, the Senior Resolutions shall control as long as any Senior Bonds are outstanding.
