Title

Approving temporary construction work with associated noise impacts between the hours of 7:00 PM and 7:00 AM on N. Broom Street. (14th AD)

Body

PREAMBLE

The sanitary sewer is scheduled to be re-lined on the following street:

N. Broom Street (W. Johnson Street to W. Gorham Street)

This process will extend the life of the sanitary sewer pipe and extend the time until the pipe needs to be removed and replaced. The lining of the sewer pipe is proposed to be completed at night when flows in the pipe are lower and traffic is lighter.

Madison General Ordinance section 24.08(3) provides the Common Council the ability to allow construction activities, with associated noise impacts, outside of the hours of 7:00 AM to 7:00 PM. with the passage of a resolution.
