Fiscal Note

The total value of sick leave payouts for Overture employees not eligible to retire on January 1, 2012 is about \$250,000. The actual cost of the payout is dependent on how many of those employees transition to employment with the Overture Center Foundation and how many transfer to City positions, as well as how much sick leave is earned and used by the end of the year. The expected range of payments is \$205,000 to \$250,000. The exact amount will not be known until the time of transition. Funds are available in the Contingent Reserve. The current balance of the Contingent Reserve is \$946,698.
