Fiscal Note

The proposed resolution requires approval of plans and specifications and authorization of the Board of Public Works to advertise and receive bids for installation of sun shelters at five park locations. The total project cost is \$315,000. \$63,000 of project costs will be funded by the Cardinal Glenn Improvements project (account no. 17423-51-140); \$252,000 will be funded by the Shelters Junction Owl Worthington project (account no. 17433-51-140). This project is jointly funded by the two minor projects in order to group all sun shelter improvements under a single contract. Both projects are minors to the major project Park Land Improvements (no. 17421). Funds are included in the Parks Division's 2016 Adopted Capital Budget.
