Title

SUBSTITUTE - Authorizing the Streets Division to purchase carts for the automated refuse collection program from the Rehrig Pacific Company.

Body

Whereas, the Streets Division is going to begin automated collection of refuse on September 10, 2007, and

Whereas, the automated collection of refuse will require that each of the Streets Division's customers have at least one cart for their refuse, and

Whereas, the Streets Division will offer City of Madison residents 3 sizes of automated carts; 35 gallon, 65 gallon and the default size of 95 gallon carts, and

Whereas, Rehrig Pacific Corporation was the winning bidder on the contract to provide carts and door-to-door delivery for the Streets Division's automated recycling program, and

Whereas, the carts and after sale service provided by Rehrig Pacific has been excellent and our contract with Rehrig Pacific allows us to purchase refuse collection carts at a competitive price,

Now, Therefore, Be It Resolved, that the Streets Division is authorized to purchase carts for the automated refuse collection program from the Rehrig Pacific Company, on a sole source basis, for the automated refuse collection program.
