Fiscal Note

The proposed resolution approves an allocation from the USDOJ Byrne Criminal Justice Innovation grant, Isthmus Safety Initiative to the Rape Crisis Center to provide Bystander Intervention Training programming. The Rape Crisis Center was the only respondent to a request for proposal to provide these services and was recommended by the evaluation panel. The resolution would provide up to \$62,000, contingent on the availability of federal funding, and authorize the Mayor and City Clerk to execute agreements with the organization for these services.
