Fiscal Note

The proposed resolution changes the classification range for the Water Utility's five "Waterworks Operator 2" positions from CG16-RG15 to CG16-RG17. The reclassification results in a total annualized cost increase per position, including salary and benefits, of \$3,500. If the resolution is adopted, the resulting total annualized cost increase for the five positions (#1771, 1781, 1748, 1797, 1800) is \$17,500. The Water Utility will absorb the increase salary and benefit cost of the reclassifications within the adopted 2018 operating budget through savings from existing vacant positions and staff turnover.
