Title

Adopting the Sustainability Plan Update and directing staff to implement the recommendations in the plan.

Body

WHEREAS, in June 2011, the Common Council adopted (RES-12-00434) the Madison Sustainability Plan titled, "The Madison Sustainability Plan: Fostering Environmental, Economic and Social Resilience" report; and

WHEREAS, in March 2017, the Common Council adopted (RES-17-00213) which called on the City to establish a goal for City of Madison operations and community to reach a goal of 100% renewable energy and net-zero greenhouse gas emissions; and,

WHEREAS, in March 2019, the Common Council of the City of Madison adopted (RES-19-00267) the 100% Renewable Madison Report and set the goal of reaching 100% renewable energy and net zero carbon

emissions for City operations by 2030; and,

WHEREAS, in July 2020, the Sustainable Madison Committee authorized a working group to develop and update the City's Sustainability Plan; and

WHEREAS, input from the Madison community was gathered using a multimodal engagement strategy including an online survey, pop-up events, focus groups, a social media campaign, and meetings with community groups; and,

WHEREAS, the Sustainability Plan Update reflects the priorities shared by the community and builds on the sustainability and climate actions included in other City plans and initiatives, including the Comprehensive Plan, Parks and Open Space Plan, 100% Renewable Madison Report, Vision Zero Action Plan; and,

WHEREAS, the Sustainability Plan Update has 24 goals organized into eight elements of a sustainable City, which are:

1. Quality, Affordable Housing
2. Resilient City Design and Infrastructure
3. Renewable Energy and Decarbonization
4. Sustainable Transportation
5. Clean, Abundant Water
6. Zero Waste
7. Healthy Ecosystems
8. Vibrant Green Economy; and

WHEREAS, each element includes a set of goals, actions, and metrics to help track progress toward implementing the goals; and,

WHEREAS, the plan focuses on advancing climate equity and environmental justice to ensure that all people have access and opportunity to benefit from initiatives to improve our environment and address climate change while not bearing an unequal burden of the impacts of environmental hazards; and

WHEREAS, the Sustainable Madison Committee has overseen the development of the Sustainability Plan Update, reviewed the drafts, and supports the strategies and actions in the plan;

NOW THEREFORE BE IT RESOLVED that the Sustainability Plan Update is hereby adopted.

BE IT FURTHER RESOLVED, that staff is directed to implement the strategies and actions contained in the Sustainability Plan Update, including submitting necessary requests in annual Capital and Operating Budgets.

BE IT FINALLY RESOLVED, that the goals and actions of the Sustainability Plan Update will make Madison a more green and resilient place to live and work today and for future generations.
