Title

SUBSTITUTE - Amending the City of Madison Official Map to establish mapped reservations for future Streets and Highways in the City of Madison consistent with recommendations in the adopted *Oscar Mayer Special Area Plan*.

Body

NOTE: The proposed substitute resolution proposes a revised alignment for the street reservations for the area bounded by Aberg Avenue on the north, Packers Avenue (STH 113) on the east, Commercial Avenue on the south, and N Sherman Avenue on the west, which is attached with the label 'Version 2.' On Version 2, the north-south connection of Ruskin Street to Huxley Street remains in a slightly modified alignment, while the east-west connection of Roth Street across the Canadian-Pacific Railroad is broken into two distinct segments: a "T" intersection of Roth Street into Huxley Street south of the current intersection of those streets, and a westerly extension of Coolidge Street from Packers Avenue to the Ruskin-Huxley street. The alignments reflecting the alignments in the adopted *Oscar Mayer Special Area Plan*, which were reviewed by the Plan Commission on March 7, 2022, are attached with 'Version 1' labels for clarity.
