Fiscal Note

The proposed resolution authorizes a contract to provide agent and broker services for the City’s wage and life insurance programs. The city does not pay fees directly to the broker. Instead, the broker receives a percentage of city and staff premiums paid to our wage and life insurance provider. The agent/broker fee will be 2% of premiums and is anticipated to total approximately \$100,000. No additional appropriation is required with this resolution. The city’s premium structure is determined through a separate agreement with the insurance provider.
