Fiscal Note

The proposed resolution approves plans, specifications, and authorizes the Board of Public Works to advertise and receive bids for the Harper Lift Station Replacement. The estimated City share of the project is \$569,000. \$446,000 is available in the 2020 Adopted Engineering - Major Streets Harper Lift Station Replacement Project (Munis 12456-83-173). A budget amendment will be required if bids are higher than the available amount. Engineering has indicated that they would amend the budget to transfer unused balance in the 2020 Lift Station Rehabilitation budget (Munis 12376) to support any remaining costs.
