WHEREAS, fireworks for the celebration are launched from an island surrounded by the lagoon; and WHEREAS, The Madison Police Department, which is the lead agency coordinating security issues for Rhythm and Booms, has identified the need to restrict entry to the Warner Park lagoon and its connecting waterway to Lake Mendota in order to keep spectators from entering the fireworks safety zone; and WHEREAS, for safety and security reasons, the Madison Police Department has determined it is necessary to place waterway markers to exclude boating and swimming in the Warner Park lagoon and its connecting waterway to Lake Mendota; and
