Title

Amending the 2013 Stormwater Utility Capital Budget to reallocate existing budget authority to use funds borrowed in 2011 prior to their expiring while allowing for continued funding of the future phase of Wingra Creek and to provide funding for needed pond dredging, box culvert replacement and storm sewer improvements associated with street reconstruction/resurfacing projects which will be completed in 2013.

Body

WHEREAS, the Wingra Creek Corridor (810268) capital project currently has \$236,427.50 of unspent GO Debt proceeds borrowed in 2011 none of which will be spent during this calendar year; and

WHEREAS, the Starkweather Creek Watershed (810394) capital project currently has \$251,587.16 of unspent GO Debt proceeds borrowed in 2011 of which \$200,000 will not be spent during this calendar year; and

WHEREAS, the Adopted 2013 Stormwater Utility Capital Budget currently has \$1,010,220.83 of budget authority available in account 810382 (Greenway Improvements) of which \$350,000.00 will not be spent during this calendar year; and

WHEREAS, the Adopted 2013 Stormwater Utility Capital Budget currently has \$272,000.00 of budget authority available in account 810388 (Shorelines) of which \$200,000.00 will not be spent during this calendar year; and

WHEREAS, the Adopted 2013 Stormwater Utility Capital Budget currently has \$75,000 of budget authority available in account 810392 (Inter-municipal Stormwater Management) of which \$75,000 will not be spent

during this calendar year; and

WHEREAS, the Adopted 2013 Stormwater Utility Capital Budget currently has \$62,000.00 of budget authority available in account 810385 (Storm Box Replacement) with an additional \$250,000.00 needed to allow for construction of Bedford Box Replacement; and

WHEREAS, the Adopted 2013 Stormwater Utility Capital Budget currently has \$75,000.00 of budget authority available in account 810384 (Stormwater Basins) with an additional \$35,000.00 needed to allow for construction of the Monroe Street Pond Pilot Study; and

WHEREAS, the Adopted 2013 Stormwater Utility Capital Budget currently has \$100,000.00 of budget authority available in account 810673 (Dredging) with an additional amount of \$100,000 needed to allow for dredging of a mercury contaminated pond in the City's ownership; and

WHEREAS, the Adopted 2013 Stormwater Utility Capital Budget currently has \$598,120.00 of budget authority available in account 810381 (Storm Sewer with Streets Projects) with an additional amount of \$333,000 needed to allow for construction of the remaining projects to be constructed in 2013; and

WHEREAS, the Adopted 2013 Stormwater Utility Capital Budget currently has \$100,000.00 of budget authority available in account 810753 (Stormwater Improvements on Streets) with an additional amount of \$100,000 needed to allow for completion of all the projects identified for completion as the year has progressed; and

WHEREAS, the Wingra Creek Corridor project (810268) is scheduled to have additional funds added in the 2014 budget to allow for construction of the project preferred by all stakeholders, as such the funds moved from the project will be replaced with funds from 810388 (Shorelines) and 810392 (Inter-municipal Stormwater Management) so that an equivalent amount of funds may be carried over into 2014 such that the account fund is "whole" going into the 2014 budget process; and

WHEREAS, there are no immediately pending additional projects scheduled under the above accounts where funds would be redirected from; and

WHEREAS, it is the opinion of Engineering staff that these projects should not be delayed.

NOW, THEREFORE, BE IT RESOLVED, that the 2013 Stormwater Utility Capital Budget is hereby amended to transfer budget authority and available funds in the amounts of \$236,427.50 from Wingra Creek Corridor (810268) and \$200,000 from Starkweather Creek Watershed (810394) to; Stormwater Improvements on Streets (810753) and (Stormwater with Streets Projects (810381) in the amounts of \$100,000.00 and \$336,427.50 respectively;

BE IT FURTHER RESOLVED, that the 2013 Stormwater Utility Capital Budget is amended to transfer budget authority in the amounts of \$350,000.00 from Greenway Improvements (810382), \$200,000 from Shorelines (810388) and \$75,000 from Inter-municipal Stormwater Management (810392) to Wingra Creek Corridor (810268), Dredging (810673), Stormwater Basins (810384), and Storm Box Replacement (810385) in amounts of \$240,000.00, \$100,000.00, \$35,000.00 & \$250,000.00 respectively.
