1/26/2015	1	BOARD OF ESTIMATES (ended 4/2017)	RECOMMEND TO COUNCIL TO ADOPT (15 VOTES REQUIRED) - REPORT OF OFFICER	Pass
1/20/2015	1	COMMON COUNCIL	Referred	
1/15/2015	1	Traffic Engineering Division	Referred for Introduction	

Fiscal Note

This resolution would appropriate \$10,000 from the Contingent Reserve to the Traffic Engineering 2015 operating budget to provide additional funding for the purchase of a field operations vehicle for administration of the City's Street Occupancy Program. Funding of \$20,000 is included in the adopted TE adopted operating budget, but revised cost estimates indicate additional funding of \$10,000 is required for the purchase. The 2015 Adopted Operating Budget includes a \$1.2 million Contingent Reserve. If approved, the uncommitted balance of the 2015 reserve is reduced to \$1,153,000.

The budget will be amended as follows:

(\$10,000) 110020-56620 Reduce Contingent Reserve
\$10,000 Increase Traffic Engineering - Capital Assets

Title

Amending the City's 2015 Adopted City Operating Budget to appropriate \$10,000 from the Contingent Reserve to the Traffic Engineering’s adopted 2015 operating budget to provide \$10,000 in addition to the \$20,000 originally budgeted to purchase a pickup truck equipped with appropriate functionality and safety equipment for use by the Agency’s newly-created Street Occupancy Permit Inspector Program.

Body

WHEREAS, \$20,000 was originally authorized in the 2015 Traffic Engineering Operating Budget for the purchase of a vehicle dedicated to the Street Occupancy Permit Inspector Program; and

WHEREAS, Traffic Engineering underestimated the costs of a vehicle with the appropriate specialized equipment and the functionality required for a vehicle to safely and efficiently operate in the public right-of-way and construction zones; and

WHEREAS, the 2015 Adopted Operating Budget includes additional General Fund revenues of \$200,000 in anticipation of the Traffic Engineering administration and restructuring of the Street Occupancy Permit program fees;

NOW, THEREFORE BE IT RESOLVED, that the Council approves amending the 2015 operating budget to authorize an appropriation of \$10,000 from the City Contingent Reserve to Traffic Engineering to provide additional funding for the purchase of a dedicated vehicle for oversight of the Street Occupancy Program.
