Title

FOURTH SUBSTITUTE Amending Section 24.12 of the Madison General Ordinances to prohibit panhandling in the State Street Mall/Capitol Concourse and to eliminate the panhandling restriction in front of nonresidential buildings.

Body

DRAFTER'S ANALYSIS: This fourth substitute ordinance creates definitions for the Central Business District for purposes of this ordinance and what it means to procure a handout. This ordinance prohibits individuals from procuring or attempting to procure a handout within the Central Business District. This ordinance also provides a definition of liquor establishments and prohibits individuals from procuring or attempting to procure a handout within 25 feet of any liquor establishment. This ordinance changes the prohibited distance for procuring a handout at an ATM from 50 feet to 25 feet. Due to recent court decisions, this ordinance removes the restriction of procuring a handout near buildings that contain nonresidential uses and the prohibition of procuring a handout while sitting on the sidewalk.

The Common Council of the City of Madison do hereby ordain as follows:

1. Section 24.12 entitled "Menacing or Aggressive Panhandling Prohibited" of the Madison General Ordinances is amended to read as follows:

"24.12 MENACING OR AGGRESSIVE PANHANDLING PROHIBITED."

- (1) Purpose. The purpose of this ordinance is to ensure unimpeded pedestrian traffic flow, to maintain and protect the physical safety and well-being of pedestrians and to otherwise foster a safe and harassment-free climate in public places in the City of Madison. The ordinance also provides protections in the Central Business District. This area is a special and unique area of the City of Madison, constituting the connection between the University of Wisconsin and the State Capitol, and having numerous businesses, restaurants and entertainment venues. The State Street Mall is a Transit Mall, with limited or no access to motor vehicles by the public. The City of Madison has a significant public and governmental interest in encouraging the public presence of residents and visitors in the Central Business District, and their unimpeded use of public areas and private businesses in the area by insuring that residents and visitors are able to walk unobstructed in this area without being stopped and asked for a handout. Thousands of individuals walk in this area on a daily basis and the City has a significant interest in providing a safe, pleasant environment and encouraging visitors to frequent this area. The City has received regular complaints from businesses and residents of the Central Business District on the deleterious effect of panhandling in the area. The city finds that a ban on panhandling in this downtown area will serve these important interests. The City has determined that a significant number of individuals that request handouts, turn around and use the donated money to purchase alcohol. By eliminating the ability to procure a handout in close proximity to liquor establishments the City in turn hopes to reduce the cycle of abuse.
