Title

Amending Section 31.021 of the Madison General Ordinances to assign recently created zoning districts to groups for purposes of sign regulation.

Body

DRAFTER'S ANALYSIS: Chapter 31 (the sign code) regulates signs, in part, based on zoning district. Zoning districts in Chapter 28 (the zoning code) are assigned a "group" category in the sign code. This ordinance assigns the Mission Camp zoning district to Group 1, Tiny House Village to Group 2, and Regional Mixed-Use and Nonmetallic Mineral Extraction Districts to Group 3. This ordinance also makes a minor edit to clarify that some zoning districts are addressed in sec. 31.13 and not placed in a group, for purposes of sign regulation.

The Common Council of the City of Madison do hereby ordain as follows:

1. Section 31.021 entitled "Zoning District Groups" of the Madison General Ordinances is amended as follows:

"31.021 ZONING DISTRICT GROUPS.

(1) For purposes of Chapter 31, the zoning districts established in Chapter 28 ("Madison Zoning Code") are divided into the following groups, so that regulations for signs based upon zoning district can be administered consistently with the purpose of this ordinance and the Madison Zoning Code. The City finds that the zoning districts within each group share characteristics that make it appropriate to regulate signs displayed in those districts similarly. The use of the following groups also provides

consistency and efficiency for the administration of this ordinance.

- (a) Group 1 . The zoning districts in Group 1 include all zoning districts classified as Residential in Sec. 28.021, including DR1 and DR2, and the Agricultural (A), Urban Agricultural (UA), Campus Institutional (CI) and Conservancy (CN) districts, as listed below. Group 1 zoning districts are the most sensitive to the effects of signage. Signs for Group 1 are primarily regulated through Sec. 31.14.

SR-C1 Suburban Residential - Consistent District 1

SR-C2 Suburban Residential - Consistent District 2

SR-C3 Suburban Residential - Consistent District 3
