**Title**

Authorizing the Purchasing Agent to enter into a purchase order agreement with the University of Wisconsin College of Engineering to complete water level monitoring on Lake Mendota and the Upper Yahara River via Purchase Order.

**Body**

WHEREAS, as part of the on going effort to better manage the Yahara Chain of Lakes, the City of Madison has agreed to create a hydrologic and hydrodynamic model of both the lakes and of the series of bridges on the Upper Yahara River at STH 113; and

WHEREAS, the City of Madison Engineering Division has been working with the University of Wisconsin Madison Engineering Department on the lake modeling effort; and

WHEREAS, the University of Wisconsin Madison Engineering Department has the ability to provide, operate and report on lake level monitoring buoys in a cost effective manner; and

WHEREAS, the City of Madison has partnered with the UW Engineering Department on other aspects of the lake level modeling effort;

NOW, THEREFORE, BE IT RESOLVED, that the Purchasing Agent is authorized to enter into a Purchase Order Agreement with the University of Wisconsin Madison Engineering Department to provide, operate and

maintain a series of three (3) lake level monitoring buoys in the area of the crossing of the Upper Yahara River with STH 113.
