### Title

SUBSTITUTE - Accepting the report entitled "Property and Evidence Storage and Retention Report."

### Body

As part of reviewing space needs for various City Operations, Facilities Management was asked to prepare a report looking at the current state of the Madison Police Property Section.

The Madison Police Property Section (MPPS) provides comprehensive property functions including evidence

and property maintenance, storage and release of evidentiary vehicles, collection and processing of abandoned bikes, inventory and distribution of supplies, storage and tracking of operational equipment, maintenance coordination and outfitting of Police fleet vehicles. The challenge is to provide the best service to property customers both internal and external by providing adequate secure storage for evidence and other property that maintains its integrity. The MPPS also needs to maintain inventory controls and provide services for supplies, fleet and equipment.

THEREFORE BE IT RESOLVED, that the Common Council hereby accepts this report ~~and its~~  
~~recommendations~~;

BE IT FURTHER RESOLVED, that the Common Council requests that staff report back to Council by ~~June~~  
December 1, 2008 regarding how the recommendations in the report can be implemented.
