PREAMBLE:

This project was previously approved by the Common Council (ID number 00272). It involves removing the concrete cunette and replacing it with a pond, which will be connected to the existing West Towne ponds. The Contractor needs access to the Denny's property in order to install storm sewer to reconnect the parking lot.

NOW, THEREFORE BE IT RESOLVED that the City Engineer is hereby authorized to execute a Right of Entry Agreement with Denny's Realty Inc. to perform storm sewer work adjacent to and upon the property at 433 S. Gammon Road in conjunction with the Addition to the West Towne Regional Pond and Improvements to Stricker's Pond.
