Fiscal Note

The proposed resolution authorizes Public Health Madison Dane County (PHMDC) to contract with Each One Teach One, Just Dane, 4-C's and Operation Fresh Start to support on-site services for apartment buildings that are under and/or at risk of public nuisance declarations. The 2024 Operating Budget Finance Committee Amendment 17-SUB provided \$68,000 for this purpose. The amendment specified allocating the funds to agencies that are already funded through the Violence Prevention service of PHMDC. PHMDC has determined that the organizations with existing contracts do not provide the appropriate services and has selected the recipient agencies through a non-competitive process (see attached non-competitive selection forms). No appropriation is required.
