Title

Accepting the report and recommendations of the Housing Strategy Committee - Student Housing Report.

Body

WHEREAS, Substitute Ordinance, File #25837 charges the Housing Strategy Committee to prepare and submit a biennial housing report to the Mayor and the Common Council which will include the following:

1. Current data on Madison and regional housing supply and trends;
2. Strategies for maintaining a broad range of housing choices for all households and income levels; and,
3. Strategies for maintaining and increasing affordable owner-occupied and rental housing in Madison and the region; and,

WHEREAS, the Housing Strategy Committee was also charged with reviewing the biennial housing report prepared by staff and would forward the report with the Committee's recommendations to the Mayor and Common Council for their action; and,

WHEREAS, given the size and scope of the biennial housing report the Housing Strategy Committee created "Student Housing Report" for committee and Common Council review; and,

WHEREAS, to address these challenges, the Housing Strategy Committee recommends a multipronged strategy focused on the ideas of:

- Development of student focused rental housing at greater density.
- Actively encouraging the development of affordable rental housing.
- Removing regulatory barriers in zoning, demolition, and subdivision rules restricting middle scale/density housing types (condominiums, town houses, small lots).
- Creating and/or amending TIF districts to support housing conversion and redevelopment.

NOW, THEREFORE BE IT RESOLVED, that the Common Council accepts the report and recommendations of the Housing Strategy Committee Student Housing Report.
