#### **Title**

Approving plans, specifications and Schedule of Assessments for Atwood Avenue Assessment District - 2023. (15th AD)

#### **Body**

The City of Madison, City of Monona, and WisDOT are partnered for the design and construction. The project will be constructed under a contract let by the Wisconsin Department of Transportation (WisDOT). The City of Madison is the lead municipality for this project. The proposed project is planned for construction in the year 2023.

The roadway geometry for the reconstruction of Atwood Avenue from South Fair Oaks Road to Cottage Grove Road was approved by the Common Council on July 24, 2018, File ID 52035, RES-18-00533.

The basis for construction cost sharing participation is as follows:

- 1) Local Utilities: Each affected local municipality shall pay for 100% of the costs for installing or adjusting new or existing local utilities (sanitary sewer and water system).
- 2) Street Improvements: The WisDOT shall pay approximately 60% of the costs for excavation, aggregate, concrete curb and gutter, asphalt pavement, sidewalk, driveway aprons, retaining walls, bridge improvements, storm sewer, stormwater quality features, street lights, traffic signals, pavement marking, traffic signing, terrace restoration and approximately 80% of the costs for multi-use paths and pedestrian bridge, through administration of Federal funding. Federal Funds are limited to \$ 7,398,451.26; any costs over this limit will be funded by the City of Madison and City of Monona.

Agreements with the State of Wisconsin Department of Transportation for construction cost sharing defines the terms under which the City is awarded Federal funds and the agreement requires that the City indemnify the State of Wisconsin Department of Transportation. City APM 1-1 requires Common Council Approval whenever the City indemnifies another party.

The proposed indemnification language has been reviewed by the City's Risk Manager. The City's risk exposure is increased by this clause, but the exposure is covered by the City's insurance policies, subject to their terms and conditions.

The Board of Public Works and the City Engineer having made reports of all proceedings in relation to the improvement of Atwood Avenue Assessment District - 2023 pursuant to a resolution of the Common Council, Resolution No. RES-22-00388, ID No. 71349, adopted 05/24/2022, which resolution was adopted thereto, and the provisions of the Madison General Ordinances and the Wisconsin Statutes in such case made and
