Title

Request to make Classes in Parks & Day Camps in Parks permits permanent.

Body

Parks staff is proposing the Classes in Parks and Day Camps in Parks permits be approved as permanent permit options. These permits were developed during the pandemic to assist local businesses that could not have indoor classes or camps due to PHMDC restrictions. Parks staff believe these permits are a valuable option for customers. Prior to these permits being an option, customers would need to request a fee modification for these types of activities.
