Title

Reapproving Plans and Specifications for Unit Well 26 Generator Addition, Project Number 53W1633 (9th AD)

Body

WHEREAS, Plans and Specifications for public improvements were previously approved under RES-13-00319, ID No. 20815 on April 30, 2013; and

WHEREAS, modifications have been made to the plans and specifications. The changes include a deletion of the pump house building addition, the addition of pre-fabricated, self-contained generator enclosure and other minor modifications.

NOW, THEREFORE, BE IT RESOLVED, that the revisions to the Plans and Specifications for the Unit Well 26 Generator Addition are hereby approved.
