**Fiscal Note**

The proposed resolution amends the 2020 Adopted Operating Budget for the Golf Enterprise. Under the proposed resolution, \$130,000 would be transferred from the salaries (\$60,000) and supplies (\$70,000) budgets to the purchased services budget. Funding is available in the salaries and supplies majors due to operational changes associated with COVID, including reductions in hourly staffing and concessions costs. The transferred funding would support additional costs for credit card fees and portable toilets.
