### Title

Request from Leukemia and Lymphoma Society to hold its annual Light the Night Walk at Warner Park on Thursday, September 20, 2012.

### Body

This event has taken place successfully at Olin Park for ten years. The Society is requesting Warner Park because they feel the event has outgrown Olin. Also, they would like to have a short fireworks show at the end of the Walk, and Parks staff determined last year that Olin was not a feasible location for fireworks. Staff recommends approval of the event, based upon the group's agreement to the attached conditions. Due to opposition from the Alderperson, Staff cannot recommend approval of the fireworks.
