Fiscal Note

This resolution transfers a total of \$623,600 in unspent GO Debt proceeds amongst projects in the Engineering Other, Stormwater Utility and Major Streets Capital Budgets. Most of the unspent proceeds will be exchanged for borrowing authority from the recipient projects. No additional GO Borrowing is required.

Title

Amending the 2014 Capital Budgets of Major Streets, Stormwater Utility and Engineering-Other to reallocate existing budget authority to use previously borrowed funds due to Arbitrage Requirements.

Body

WHEREAS, the Projects/Contracts Database Software (810736) capital project currently has \$50,000 of unspent GO Debt proceeds borrowed in 2012, none of which will be spent prior to October 1st when the two year arbitrage spend-down deadline is reached; and

WHEREAS, these funds could be used up by the Pavement Management (810358) capital project in 2014 through an exchange of GO Debt Proceeds borrowing authority from the Pavement Management capital project with a cash transfer from the Projects/Contract Database Software capital project; and

WHEREAS, the ESB Upgrades (810648) capital project currently has \$18,000 of unspent GO Debt proceeds borrowed in 2012, none of which will likely be spent prior to October 1st when the two year arbitrage spend-down deadline is reached; and

WHEREAS, these funds could be used up by the Wingra Creek (810268) capital project in 2014 through an exchange of GO Debt Proceeds borrowing authority from the Wingra Creek capital project with a cash transfer from the ESB Upgrades capital project; and

WHEREAS, the University Avenue Underpass (810733) capital project currently has \$55,600 of unspent GO Debt proceeds borrowed in 2012, none of which will be spent prior to October 1st when the two year arbitrage spend-down deadline is reached; and

WHEREAS, these funds could be used for purchasing additional licenses for the City's GT Viewer GIS software in capital project 810735 and helping to fund a Citywide Waste Oil tank replacement project in 2014; and

WHEREAS, the East Washington Avenue (810370) capital project currently has \$500,000 of unspent GO Debt proceeds borrowed in 2012 and 2013, none of which will likely be spent prior to October 1st when the two year arbitrage spend-down deadline is reached for the 2012 GO Debt Proceeds; and

WHEREAS, some of these funds could be used to cover shortages of funds in three old capital projects: Capital City Trail (\$2,220), Sherman Flyer (\$18,050) and University Ave/DOT Lot (\$9,190); and

WHEREAS, some of the funds could be used to help to fund a Citywide Waste Oil tank replacement project in 2014; and

WHEREAS, the remaining funds could be used up by the Pavement Management (810358) capital project in 2014 through an exchange of GO Debt Proceeds borrowing authority from the Pavement Management capital project with a cash transfer from the E Washington Avenue capital project.
