Fiscal Note

The 2015 adopted operating budget of the Building Inspection Division authorizes a wage expense for the Director position of \$116,622, plus benefit expense. The new Employment Agreement provides for an annual wage of \$119,564, effective April 12, 2015. In 2015, the overall wage and benefit appropriation for the Division can accommodate the relatively small additional expense in 2015, so no additional appropriation is required. Future budgets will include the additional expenditure authority, subject to approval by the Common Council.
