WHEREAS, on July 19, 2020, the City and the Town of Middleton entered into a Sanitary Sewer Service Agreement (the "Agreement") covering the City's terms and conditions upon which the City would provide sanitary sewer service to the Pioneer Pointe Sewer District; and,

WHEREAS, consistent with the terms of the Agreement, the City's sanitary sewer has been extended to serve development in the Pioneer Pointe Plat, at the expense of the Developer of the Pioneer Pointe Plat; and,

WHEREAS, the Developer of the Pioneer Pointe Plat would like to add additional lands to the Pioneer Pointe Service Area, specifically a 2.0 acre parcel, with the address of 7685 W. Mineral Point Road. The parcel, as depicted on the map attached hereto, is surrounded by the Pioneer Pointe Plat on the west, south and east, and Mineral Point Road on the north, and will have commercial uses consistent with the adjoining lands in the Plat; and,

WHEREAS, the Madison Sewer Utility has determined that it has sufficient downstream capacity to expand the Pioneer Pointe Service Area to include these 2.0 acres of additional commercial use; and

WHEREAS, under MGO Sec. 35.02(4)(b), property outside of the City may be served by the City's sewerage system if it is in a sewer district established by the City, service is in conformance with the City's rules, regulations and ordinances, all sewer related charges are accounted for, necessary permits are obtained, and the connection will be in the best interests of the City; and,

WHEREAS, consistent with other developments in the City, the sewer improvements needed to serve this additional area will be built by the Developer to the City of Madison Standards and owned and maintained by the City of Madison Sewer Utility after project completion and acceptance.

NOW, THEREFORE BE IT RESOLVED that, subject to the approval of a Central Urban Service Area amendment to allow for sanitary sewer service to the parcel, and pursuant to MGO Sec. 35.02(4)(b), the Common Council hereby amends the Pioneer Pointe Sewer District to include the additional 2.0 acres located

at 7685 W. Mineral Point Road and finds that provision of sanitary sewer service to these lands, as shown on the attached map, is in the best interests of the City; and,
