File #: 51288, **Version:** 1

Title

Request from Bob Queen to amend the approval for Central Park Sessions to allow a PA 1 permit (75 dB, 150 ft from the source), from 7:30-9:00 pm on June 3, 2018, at McPike Park. All amplified music outside the tent at PA 2 permit levels will end at 8:00 pm.

Body

On February 14, 2018, the Board of Park Commissioners approved the Central Park Sessions event in Central Park (now McPike Park) with the requirement that all amplification end by 8 PM on Sunday, June 3, 2018. Bob Queen, the event organizer, has requested an extension of the amplification permit to 9 PM at the PA 1 permit level. Please see attached request from Bob Queen and previous legislative file (Legistar #50447) on this item.
