

Legislation Text

File #: 37295, **Version:** 1

Title

15 W. Gorham Street (C-02-11-2015)

Matt Aro of Aro Eberle Architects appealing SPS 366.0602. The rule requires that all new construction comply with railing heights and accessibility rules. The current railings are 32 inches rather than 42 and an existing door 101A is 30 inches wide. The first floor unit is fully accessible.
