### Fiscal Note

This resolution authorizes a three (3) year agreement with the possibility of two (2) one-year renewals with Madison Ultimate Frisbee Association, Inc. (MUFA) at various City parks locations. The agreement will set forth the terms and conditions upon which the City will allow MUFA priority usage of certain athletic fields in City parks as set forth in the Agreement for MUFA's ultimate leagues, on a non-exclusive basis. In addition, this Agreement will establish a segregated non-reverting account and a fee structure that supports the shared goals of supporting the volume use of the City's park space and providing quality maintenance of the City's athletic fields.

Over the potential five-year term of this agreement, it is anticipated that the MUFA will pay the City approximately \$320,000 (\$64,000 annually). Approximately \$170,000 (80%) of this amount is for field use and reservation charges, which will be deposited as General Fund revenue. The remaining 20% will be credited to the Parks Division's Operating Budget to offset extraordinary scheduling, planning and reservation work created under this agreement. The remaining \$150,000 is the estimated value of a per player surcharge to be remitted by MUFA to the City for the maintenance, restoration, and improvement of specified fields; these expenditures will be handled through a special revenue fund.
