**Fiscal Note**

No significant fiscal impact is anticipated.

**Title**

Amending Section 12.325 of the Madison General Ordinances banning solicitation in the streets to create an exception for activities otherwise authorized under the ordinances.

**Body**

DRAFTER'S ANALYSIS: Although the language is drafted generally to apply to any person who has obtained a Street Use Permit pursuant to Sec. 10.056, MGO, this exception is being proposed specifically to facilitate the MDA Fill the Boot charity fundraiser, and therefore should be considered at the same time as the related Resolution (Legistar File ID No.19843).

The exception proposed in this ordinance may raise broader policy questions for the City to consider, such as how to distinguish between future requests for street use permits for other types of fundraising activities.
