Estimated Cost \$42,000

Funds for this work shall be taken from the Central Park Remediation account CL60-58220-810625

The State's Petroleum Environmental Cleanup Fund Act (PECFA) shall reimburse for this project at the approved rate of \$47/ton and the reimbursement shall be deposited into CL60-73254-810625

Title

Approving plans and specifications and authorizing the Board of Public Works to advertise and receive bids for *211 S. Brearly Street Remediation*, Contract No. 6721(6th AD)

Body

PREAMBLE:

As part of the proposed Central Park, the City acquired 211 S. Brearly St. The property was a former bulk oil storage facility and is still undergoing remediation. The property is enrolled in the State's Petroleum Environmental Cleanup Fund Act (PECFA), and to date has received \$370,500 in reimbursed costs. The WDNR has approved a final scope of remediation work that includes the excavation of an additional 600 tons of material from the site. PECFA will reimburse at \$47 a ton of material removed.

BE IT RESOLVED:

1. That the plans and specifications for *211 S. Brearly Street Remediation*, be and are hereby approved.
2. That the Board of Public Works be and is hereby authorized to advertise and receive bids for said project.
