Fiscal Note

The proposed ordinance change prohibits removing or disabling a cat's claws by performing a declawing procedure, updates and revises bail deposits for violations, and provides the Director of Public Health Madison Dane County enforcement authority to issue citations for violations. Public Health does not anticipate many citations. Informal surveys of local veterinarians indicate that most have stopped declawing cats already. There may be staffing impacts due to following up on complaints, however, the number of complaints can't be estimated at this time.
