PREAMBLE

Madison Metropolitan Sewerage District is rebuilding the interceptor sanitary sewer from East Buckeye Road to Pflaum Road. The project is known as the Northeast Interceptor Pflaum Road Sanitary Sewer Replacement Project. The project involves slight relocations of the sanitary sewer facilities, which requires the release of the existing easements and the granting of new easements.

City Engineering Division and Real Estate Section staff have reviewed the project and easement requirements and recommend that the new easement locations be approved.

NOW, THEREFORE, BE IT RESOLVED that the Common Council accepts the release of existing easements no longer needed and authorizes the grant of the new easements required, as legally described and depicted in the attached exhibits, to Madison Metropolitan Sewerage District for the Northeast Interceptor Pflaum Road Sanitary Sewer Replacement Project

BE IT FURTHER RESOLVED that the Mayor and City Clerk are authorized to sign such documents necessary to effect and create the grant of easements required.
