Fiscal Note

The wage rate differential for the hourly salaries as compared to the City Living Wage ranges from \$0.06/hr (Library Pages) to \$0.62/hr (Event Aides). Based on the most recent complete year's data (2012), the estimated projected cost for all of 2013 is about \$7,200 for wages, plus an estimated \$800 for benefits, or total estimated City costs of \$8,000. The majority of the costs (an estimated \$5,900, including benefit expense) would be for Library Pages. Each agency that employs hourly employees eligible for back-pay and a wage increase will accommodate the additional expenses in the current operating budget. No additional appropriation is required.
