Body

PREAMBLE

The City of Madison Engineering Division is proposing to conduct watershed and flood studies for the west and near west sides as a result of extreme rain events over the past several years. The City entered into an agreement with Advanced Engineering and Environmental Services, Inc. for engineering services (RES-19-00207). The City Engineer requested additional engineering services and recommend that they be undertaken by Advanced Engineering and Environmental Services, Inc. for the Spring Harbor Watershed Study as defined below:

1. Incorporate design-level survey data into the model to refine Gettle Ave box culvert solution

NOW THEREFORE BE IT RESOLVED that the Mayor and City Clerk are hereby authorized to execute and Amendment No. 4 to the contract between the City of Madison and Advanced Engineering and Environmental Services, Inc. for additional design services for Spring Harbor Watershed Study.
