Title

SUBSTITUTE - Authorizing the provision of Federal HOME/~~Housing Trust Fund~~ funds to assist Tellurian UCAN develop housing in ways that address City Community and Neighborhood Development Objectives.

Body

Agency:

Tellurian UCAN is a community-based organization that provides case management, housing, and other supportive services to lower income homeless individuals. The group owns and operates the Willy Street SRO (single-room occupancy) building, which provides housing to 8 single men as well as offices for client counseling.

Project:

Tellurian seeks Federal HOME and ~~Housing Trust~~ funds to leverage other Federal housing monies to construct an addition to the existing Williamson Street building. The Council approved the provision of \$352,000 in HOMES funds in November 2003 for this project. Since then, while Tellurian has secured some HUD Supportive Housing Program funds for the project, the contractor has indicated that prices of materials have risen due to the aftermath of Hurricane Katrina, possibly forcing the deletion of such project components as a sprinkler fire alarm system and energy improvements.

Actions:

WHEREAS, the Community Development Block Grant Program, as amended, and its implementing regulations located at 24 CFR 570.200 ff., permit the City of Madison to help community agencies which benefit lower income persons; and the HOME program, as amended, and its implementing regulations located at 24 CFR 92.400ff, permit the City of Madison to help community agencies in the provision of housing assistance;
