Title

Authorizing the Mayor and City Clerk to execute an Amendment No. 3 to the present agreement between the City of Madison, State of Wisconsin Department of Transportation and HNTB Corporation, entitled, East Washington Avenue (Blair Street to Thierer Road), for additional services in connection with a Stimulus project.

Body

Preamble

On February 17, 2005 the City of Madison, State of Wisconsin Department of Transportation (WDOT) and HNTB Corporation (HNTB) entered into a contract to prepare final plans and specifications for the East Washington Avenue segments 3 and 4 and for the Starkweather Creek Bike Path from the existing Starkweather Creek Bike Path north of Aberg Avenue to Darbo Drive.

This amendment includes additional work scope required for additional design, reports and coordination associated with the Starkweather Creek Bike Path. Most of the additional scope of work resulted from breaking out the segment of path north of Commercial Avenue in a separate contract as a Stimulus project. Under the original scope this was anticipated to be let as part of the East Washington Segment 3 or 4 contract.

NOW THEREFOR BE IT RESOLVED that the Mayor and City Clerk are here by authorized to execute Amendment No. 3 to the present agreement between the City of Madison, State of Wisconsin Department of Transportation and HNTB Corporation, entitled, East Washington Avenue (Blair Street to Thierer Road), for additional services.
